U. S. JUSTICE SPEAKS HERE NEXT MONDAY

Tom C. Clark, associate justice of the Supreme Court of the United States, will address an assembly Monday morning at 11 o'clock in the Student Union Building at Gettysburg College. His appearance is under the auspices of the Chi Omega sorority at the college.

Justice Clark was nominated associate justice by President Truman on August 2, 1949, and on October 3, 1949, took his seat as successor to Justice Murphy. Justice Clark is the first Texan to be appointed to the Supreme Court.

Clark began his public career in 1927 as civil district attorney of Dallas County, Texas, after practicing law with his father and brother from 1922 when he was admitted to the Texas Bar. In 1937 he joined the Department of Justice as an attorney and during the next eight years served in that department.

President Truman in June, 1945, named him attorney general. As attorney general, he was recognized for his fight for civil rights and better citizenship, his support of public education against crime, and his aggressive attack against the infiltration of communism.

During his tenure as attorney general, 414 cases were presented before the Supreme Court. In these, the government's position prevailed in 314 and was rejected in 100.

He also helped to awaken the nation to the necessity of expanding juvenile opportunity. He sponsored the idea of the "Freedom Train" which has carried the original historic documents on exhibition across the country. It was brought to Gettysburg for a two-day stay.

Justice Clark has received honorary degrees from 10 colleges and universities throughout the United States. High honors have been bestowed upon him by the American Bar Association, American College of Trial Lawyers, other judicial societies, and special citations from American veterans associations. He is a member at large of National Council, Boy Scouts of America and received Scouting's highest citation, the Silver Beaver award, in 1962.

COLLEGE WILL FETE MOTHERS OVER WEEKEND

Hundreds of parents are expected to visit the campus for the 36th annual Mothers' Week end, Saturday and Sunday at Gettysburg College.

Highlights of the weekend will be the crowning of the May Queen Saturday afternoon and presentation of the Mother-of-the-Year award Saturday evening.

The Owl and Nightingale Players will present a George Bernard Shaw comedy "How He Lied to Her Husband" as a Saturday feature.

Other Saturday afternoon events include a water show in the college pool presented by the physical education majors club, a baseball game between Gettysburg and Lehigh and a tennis match between Gettysburg and Franklin and Marshall varsity teams. Class visits by parents are planned for Saturday morning.

The college band and student talent will perform at the coronation ceremonies for the May Queen.

The weekend program will be concluded with a service Sunday at 10:45 a.m. in Christ Chapel. The Rev. John W. Vannorsdall, college chaplain, will preach. Special music will be presented by the College Choir and the Chapel Choir.

American Expedition Is Near Mt. Everest Summit

By ALAN M. KENNEDY
KATMANDU, Nepal (AP)—The American Everest expedition's first assault team was believed making its final push today toward the summit of the world's highest mountain.

The expedition established Camp Six at 27,800 feet Tuesday preparatory to an attempt today to reach the 29,028-foot peak, a spokesman in Katmandu announced.

The push to the summit was to be made by two men, drawn from the four Americans and 13 Sherpa porters who made up the expedition's first assault team.

Climbing below them was a second assault team of four Americans and four Sherpas. Two men

Students To Visit State Hospital

In observance of Mental Health Week, the Eleventh Grade students will tour the Harrisburg State Hospital, Thursday. They will be accompanied by Mrs. Pam Kistler, Mrs. Bette Forney and Dallas Hoffman, the health teachers, and Jacob M. Sheads.

Upon their return a panel discussion will be held in the cafeteria of the high school. The panel will consist of Mrs. W. W. Wood, associate professor of psychology at Gettysburg College; Dr. Samuel Mudd, assistant professor in that department, and the Rev. Donald Treese, pastor of the Methodist Church, and active in the work of the Mental Health Association.

MISS M'SWAIN TALKS ON MEAT AT AG MEETING

Miss Hattie McSwain, a graduate of Tuskegee University and a member of the National Livestock and Meat Board, gave an illustrated lecture on "The Informal Buyer, a Better Homemaker" at the morning session of the annual Homemakers' Day sponsored by the Adams County Agricultural and Home Economics Extension Service held at Trinity Lutheran Church, Arendtsville, Tuesday.

Miss McSwain explained the cuts of red meats, stating that they are divided into a "demand" class, more expensive and a "less demand" class, cheaper; then discussed pork, veal and lamb and organ meats, citing the best method of cooking each type. She presented each member a cookbook, "Galaxy of Foods."

The registration was in charge of the New Chester group; lapel tags of paper flowers were made by the York Springs group and the Arendtsville group was in charge of hospitality.

Mrs. George Gilbert, W. Middle St., representing the Marsh Creek Group, was in charge of opening devotions and Mrs. C. William Settle, from the Arendtsville group, conducted group singing.

With Mrs. Luther I. Sachs at the piano and directing, the St. James Singers sang a group of gospel songs. The chorus included Mrs. Elsie Kessel, Mrs. Jack Melcolm, Mrs. Ivan Breighner, Mrs. Murray Wentz, Mrs. Clarence Waybright and Mrs. Edgar A. Weaver.

Mrs. Helen D. Tunison, home extension economist, showed "Mystery Merchants," a movie on quackery, depicting how people suffering from arthritis, rheumatism and other painful diseases are duped into buying worthless nostrums.

Lunch was served to the 140 (Continued On Page 12)

GOP Women Hold Dinner Meeting

A discussion of legislative matters of state and national interest to Adams Countyans featured the dinner meeting of the Adams County Council of Republican Women held at the VFW Home Tuesday evening. Husbands and others were guests. Congressman George A. Goodling was unable to be present but his field representative, Wayne Burg, York, spoke on legislative matters in Congress.

Senator Elmer Hawbaker, of the Adams-Franklin senatorial district, discussed the governor's budget. Assemblyman Harry D. Ridinger spoke on the tax situation. The latter two said that it was their opinion that the new taxes were necessary "because of the deficit left over from the previous administration and that all of our citizens and organizations are demanding greater services." All county candidates were introduced.

Mrs. Earle A. Deily, council president, conducted the meeting, at which more than 100 were present.

Local PSEA Branch Given Award

Members of the Gettysburg branch of the Pennsylvania State Educational Association, at a meeting Tuesday afternoon in the Keefeauver Elementary School, elected Miss Jean Biggs president to succeed John Maloney. Other officers chosen are: David Woods, first vice president; Miss Carla Yost, second vice president; Miss Shirley Carlson, secretary, and Donald Tiziani, treasurer. Hobart Benchoff and Richard Leader were named delegates to the state organization and John Keller was chosen an alternate.

The local branch also received the state's top award for the workshop which was held in February and which was judged on the basis of a report book forwarded to the state PSEA.

Miss Yost, chairman of the committee assigned to compiling the record of the workshop, is shown presenting the award to David Woods and Richard Krick, workshop co-chairman. The subjects of the workshop were "Communism" and "The Arts."

Awards were given to each of four categories specified by PSEA. John Maloney, out-going president, is at the left.

One Vote Decides Emmitsburg Race

With two-thirds of the registered voters turning out in Emmitsburg's municipal election on Tuesday, Dr. J. W. Houser was re-elected at a town commissioner by a one-vote margin over James T. Welty, a businessman who entered the race in its closing days. The totals were 174 for Houser and 173 for Welty.

The voters chose Ralph Irelan, a liquor store proprietor, as their new burgess by a vote of 199 to 151 over Charles D. Gillelan. Gillelan serves as the town clerk and tax collector.

There were 32 voters eligible to cast ballots at the town office. Voting began at noon and ended at 7 p.m. The results were announced about 9:15 p.m. by judges, Mrs. John Warthen, Lloyd Ohler and Josephine Steinberger.

Supports Library Drive

Palm Desert, Calif.
February 2, 1963

Dear Mr. Baughman:

As the Adams County Library Association undertakes an appeal for funds for a building program, I am happy indeed to endorse its efforts.

The library not only serves the young citizens of Adams County insofar as education, culture and pleasure reading are concerned, it is also a center for self-improvement, further education and enjoyment for the adults of our community.

I heartily commend this worthy cause and will be pleased to be listed as a patron of the library program.

With best wishes for success,

Sincerely,

Dr. Harry F. Baughman

DINNER OPENS LIBRARY DRIVE FOR \$100,000

The first of three kick-off dinners for division leaders of the \$100,000 Adams County Library Development Fund campaign was held Tuesday evening in the Hotel Gettysburg where General Chairman Dr. Harry F. Baughman said, "The Library has had a fine influence on our growing community and enlarged facilities are desperately needed."

Dr. Baughman introduced C. P. Keefer, chairman of the advance gifts division, and Mrs. Philip Jones and Atty. Charles W. Wolf, cocaptains of the drive which opened Tuesday evening immediately following the dinner. Dr. Baughman said that "we already have made a splendid start in the drive," in referring to early contributions which have been made to the drive chairman.

"Hundreds of young people are taking advantage of the library facilities," Dr. Baughman said, "and tiny tots are learning to use the library when they visit with their parents." He said that 700 transactions were made at the library in a single recent Saturday afternoon "despite the cramped facilities of the staff and lack of sufficient storage space for the nearly 40,000 volumes."

He said the great need is for room for books and "room for patrons." One of the features of the new construction program is the addition of a children's department and reading rooms. He added, "If all the books on loan and those inside the book-moovies were returned to the library at the same time, outside (Continued On Page 10)

Former School At Idaville Is Sold

The Idaville schoolhouse property, unused for school purposes for the last two years, was sold at public auction Monday evening by the Huntington Twp. school district for \$2,600. The property was bought for the Idaville UB Church.

The old school bell brought \$35 and four blackboards brought \$6 and \$7 each. Pupils' school desks sold for \$5 and \$6 each.

Clair Slaybaugh of Idaville was the auctioneer.

METHODISTS TO HEAR 40-VOICE JUNIATA CHOIR

The 40-voice choir of Juniata College, Huntingdon, will present a concert of sacred music Sunday morning at 10:45 o'clock in the Gettysburg Methodist Church. The morning concert will be one of two for the choir that day. They will sing at Hagerstown in the evening.

Contemporary choral music will be balanced by representative works from earlier periods of music history when the Juniata Choir presents its program. The text will include scripture, hymns, chorales and religious poetry.

A feature of the choir's program this season is a short cantata, "The Love Which Passeth Knowledge," by the modern English composer, Harold Darke, who has made a musical setting of verses from the Gospel of John and Paul's Epistle to the Ephesians. Other contemporary composers whose works will be sung include the Americans: Carl Landahl, Austin Lovelace, Thomas Matthews, Paul Nelson and Randall Thompson.

Great choruses by Christopher Tye, Johann Pachelbel, Wolfgang Mozart, Franz Schubert, Anton Bruckner appear along with the choral works by the present day composers. Also included on the choir's program will be an early American hymn, a negro spiritual and two familiar hymn arrangements.

Prof. Donald S. Johnson, college organist and chairman of the department of music, is the choir director. The choir includes 12 sopranos, 10 altos, eight tenors and 10 basses.

The choir's presentation will involve the regular Sunday hour of worship at the local church.

PROPERTY SOLD

Mr. and Mrs. Edward R. Hoffman, Arendtsville, have sold a property in Arendtsville to Mr. and Mrs. Nevin C. Epley, Mt. Joy Twp. The sale was made through Lee M. Hartman, local realtor.

Coldest May 1 In 41 Years Here

The snow flurries that occurred here about noon today were the first in May in Gettysburg since 1920, Gettysburg Times weather records show. This is only the second time in 60 years that snow was recorded here in May.

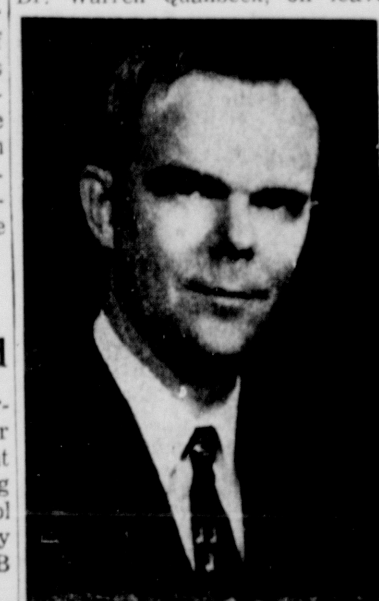

The overnight drop in temperatures here was 37 degrees from a high of 72 degrees Tuesday to a low of 35 degrees. Rural areas nearby had readings of freezing and below.

This was the coldest May 1 in Gettysburg in 41 years. On this date in 1922 the early morning reading here was 32 degrees.

Goodling Takes Exception To Coin Bill Opposition By Treasury Dept. Counsel

"The great summation, the challenge, the prayer and hope of Americans everywhere was made in a simple statement at Gettysburg on November 19, 1863. That 267-word statement has no peer anywhere among state papers. Its message and its impact can be extended by fully cooperating with the people of Pennsylvania and the entire United States by assisting in commemorating the event November 19, 1963. This is the purpose of the bill."

Thus wrote Cong. George A. Goodling of the Adams-York-Cumberland County District to Cong. Wright Patman, chairman of the U. S. House Banking and Currency Committee, relative to the bill in Congress to authorize a half-dollar commemorating the 100th anniversary of Abraham Lincoln's Gettysburg Address.

Flurries Of Snow In Wake Of Hail; Fear Fruit Damage

Hail, sleet, snow and high winds have plagued Adams County fruit-growers since 3:30 o'clock Tuesday afternoon when thunderstorms dumped .26 inch of rain on the Gettysburg area.

The weather prospects for tonight are for lower temperatures and fruit-growers in the Buchanan Valley - Orrtanna - Cashtown - Arendtsville areas are planning to light smudge pots in an effort to save blossoms from damaging freezes.

Temperatures overnight in the Orrtanna area dropped to 30 degrees, but growers reported that strong winds prevented damage to blossoms, which range from partial to full bloom. The thermometer had risen to 32 degrees by 11:30 o'clock this morning at the orchards of Carroll Dillon and to 35 degrees at the Donald Sullivan orchards, near Orrtanna. Snow began falling in these areas about 10:30 o'clock.

Tick Tock Restaurant at Mt. Newman reported heavy snowflakes at 10:30 o'clock and motorists driving east from Chambersburg reported heavy snowfall through the Caledonia mountains. Snowflakes appeared in Gettysburg at 11:15 o'clock.

Tuesday's hailstorm struck the Cashtown-Arendtsville area but The Times was unable to obtain any reports of damage to fruit. The hail lasted from two to five minutes in the northern and western parts of the county and was reported to have ranged from the size of peas to "birds' eggs."

Many fruitgrowers plan to use "dry sprayers" in their orchards tonight to keep the air moving in the hope of preventing frost from settling on the trees. Plum growers are especially concerned since their blossoms are full and may be easily damaged by cold.

Growers in the higher elevations of the county reported to date that York blossoms are beginning to show and unless heavy frosts cause extreme damage tonight should be in full bloom for Sunday's Apple Blossom Festival. Early apple orchards reached their peak of bloom last weekend.

BELOW FREEZING

By THE ASSOCIATED PRESS
Cold, blustery and snowy weather greeted many Pennsylvanians on this the first day of May.

A light cover of snow clung to the ground in some areas of western Pennsylvania as temperatures generally dropped below the freezing mark.

For the most part the snow melted from streets and highways as rapidly as it fell. But there were some icy and slushy spots. Bridges in particular were slippery.

Salt crews were called out in Crawford, Erie and Butler counties and in the city of Pittsburgh. Up to three inches of snow was reported on the grounds in sections of Allegheny County, and parts of Erie County got about two inches.

One-half inch to one inch accumulations were reported in Crawford, Butler, Washington and Somerset counties.

arguments voiced by G. d'Anetol Belin, general counsel of the U. S. Treasury Department, against the commemorative coin resolution. Goodling wrote as follows: "On April 8 you wrote me regarding H.R. 1611, enclosing a copy of a letter signed by G. d'Anetol Belin, general counsel, Treasury Department. I take strong exception to the arguments he presents in opposition to the philosophy of issuing special coins in general and to my bill in particular."

R.C. CAMPAIGN FUND TOTAL NOW AT \$4,617

With returns continuing to come in, the current total for the annual fund campaign by the Adams County Chapter of the Red Cross has reached \$4,617.60, according to reports presented by Campaign Chairman C. P. Keefer at the April meeting of the chapter's board of directors.

Mr. Keefer said there are some reports yet to come in and he is hopeful the total may reach \$5,000. The drive was conducted throughout the county outside the Gettysburg Community Chest area.

Mr. Keefer presided at Tuesday's meeting as chapter chairman and announced appointment of an executive committee for the chapter including the four officers of the chapter and Miss Ruth McHenry as chairman of the Junior Red Cross. The officers are Chairman Keefer; Mrs. Earl J. Bowen, vice chairman; Mrs. Robert Fortenbaugh, secretary, and Jonathan S. Minnich, treasurer.

OTHERS ASSIGNED

Mrs. Bowen also has been assigned as home service chairman. Other department heads announced Tuesday evening include: Nurses' aides, Mrs. G. Marion Stambaugh; motor corps, Mrs. James Sheppard; first aid and water safety, Jesse W. Dagenhardt; education, Miss Martha Storek; and publicity, Hugh C. McHenry.

Chairman Keefer urged Red Cross members to help staff volunteer jobs for the centennial including first aid stations where nurses' aides will be helping and at information booths and other volunteer services.

Reports were presented by William McCrorie, executive director for the chapter. He explained recent changes in Army pay practices by which the deduction of "Q" allotments from servicemen's pay in some classifications has been discontinued. He said this may put a heavy strain on chapter home service funds where families of servicemen may face emergency situations where soldiers are serving in remote areas.

\$20,000 BARN BLAZE DAMAGE

Damage totaled \$20,000 when a barn owned by Leslie Kennel, Gettysburg, R. 5, was destroyed by fire Tuesday afternoon about 3 o'clock.

Littlestown Fire Chief Richard Stuller said a combine and drill, 1½ tons of straw, two tons of hay and an unknown amount of grain was destroyed with the barn.

Mrs. Herman Keiffer, who resides along the Two Taverns-Bonneauville Rd. at the intersection with the lane back to the Kennel farm, saw smoke billowing from the barn and summoned the Littlestown firemen. Almost simultaneously a man saw the smoke and called the Bonneauville firemen through the Quick Call center here.

Bonneauville provided water through its tank truck to Littlestown which prevented spread of the fire to other structures. The nearest building, a wagon shed, was only about 20 feet away but was undamaged.

Mr. Kennel was reported in New Jersey at the time of the fire and Mrs. Kennel was brought from work after the fire was discovered. As far as she knew no one had been near the barn. An investigation will be conducted.

CWRT To Visit Virginia Field

Members of the Civil War Round Table will tour the Chancellorsville Battlefield May 19, it was decided at a meeting Tuesday evening at the Dutch Cupboard. Funds raised annually by the Adams County Committee for UNICEF have more than doubled in the last five years, according to reports presented at the committee meeting Tuesday evening at the YWCA building. The vice chairman, Mrs. Roy W. Gifford, presided in the absence of the chairman, Dr. Jacob Heikkinen.

The report presented by the committee treasurer, C. P. Keefer, included the proceeds from the trick or treat chairman, Mrs. Anna Stahle, which showed \$1,476.96 collected. Reports showed that in 1957 the committee raised \$688.

The committee will meet again in June.

Field Mass Men Meet On Friday

The second meeting of the local and area committees of men who are assisting in formulating plans for the field Mass to be said at the Eternal Light Peace Memorial Saturday noon, June 29, will be held in Xavier Hall Friday evening at 7:30 o'clock. Rev. Fr. Joseph P. Kealy, pastor of St. Francis Xavier Catholic Church, said today.

The committees comprise 25 men from the local parish and one or two representatives from each Catholic church in Adams County and Hanover. The church representatives were requested by Rt. Rev. Msgr. Patrick McGee, of Annunciation Church, McSherrystown.

Rev. Fr. Joseph O'Donnell, director of the University of Notre Dame Foundation, sponsors of the Mass, will announce new details at Friday's meeting.

Rev. Fr. Kealy is directing activities here for Rev. Fr. O'Donnell, George D. Rosensteel is local chairman.

College Scoreboard Damaged By 'Copter

An Air Force helicopter which landed on the Gettysburg College football field Tuesday was damaged, as was the metal scoreboard, when the 'copter struck wires supporting the board.

On of the three blades of the 'copter caught the wires, damaging the blade, and also damaging one of the blades of the rear rotor and a stabilizer below it.

Damage to the scoreboard was not determined.

Scouts Will Hold Camporee May 24-26

Further plans for the camporee May 24-26 and for service during the battle anniversary here this summer were outlined Tuesday evening at Cub Scout, Boy Scout and Explorer Round Tables held by the Black Walnut Boy Scout District at the West St. Branch Bank.

Stewart Long, Joseph Sunbury and Dr. Richard Greenholt were in charge of the sessions.

The requirements and program of the Order of the Arrow were outlined in connection with the camping program of the district.

ADVERTISE IN THE TIMES

EISENHOWER RETURN HOME

By JACK LYNCH

HARRISBURG (AP)—Former President Dwight D. Eisenhower, returning home from a four-month California vacation, said today he will stay out of the tax fight in his adopted state.

"I'm staying out of politics," he said in a trainside interview.

Eisenhower said he does not plan to take an active advisory role in Pennsylvania politics or government "unless Gov. Scranton asks me."

The general did not recall a campaign statement made in his behalf last fall that he would be available to serve the Scranton administration in an advisory capacity.

"But I would like to talk to him (the governor)," he said.

Eisenhower, his wife, and their party arrived at the Pennsylvania Railroad station here about 6:15 a.m. aboard two private cars provided by the Santa Fe Railroad. They had breakfast aboard, de-trained about 7:30 a.m. and were whisked away in a limousine to their farm at Gettysburg, 40 miles south of here.

Both were tanned and looked fit.

Asked for his evaluation of Scranton's proposal to raise the sales tax from 4 to 4½ per cent and extend it to clothing and shoes, Eisenhower said:

"Well, it takes money to run government. But I assume Scranton is cutting his budget to the bone. It is good that he wants the money for education. I'd rather see the states spend more for education than the federal government. The more we put on the state level the better."

Eisenhower declined to discuss the 1964 presidential race, except to say:

"I see by the papers that Gov. Scranton has absolutely removed himself as a candidate next year. As to the others, it's pretty wide open."

Engagement

Becker-DeVine

The engagement of Georgia Anne DeVine to Joseph Conrad Becker, son of Mr. and Mrs. Joseph Becker, New Oxford R. 1, has been announced by the bride-elect's parents, Mr. and Mrs. George Clifford DeVine, New Oxford.

Miss DeVine is a 1962 graduate of Delone Catholic High School, McSherrystown, and is employed by Blough-Wagner Manufacturing Company. Her fiancé, a 1959 graduate of New Oxford High School, served with the Army in Germany, and is employed by Hanover Chevrolet.

Wedding

Grove-Dubs

Miss Evelyn Jean Grove, daughter of Mr. and Mrs. Ernest E. Grove, Williamsburg, Pa., became the bride of Robert Paul Dubs Jr., son of Mr. and Mrs. Robert Paul Dubs, R. 2, April 20 at 7 p.m. in Zion Lutheran Church, Williamsburg. The Rev. John S. Manrodt performed the ceremony, and Dr. Marion A. Morelli presided at the organ.

The maid of honor was Miss Jane Demitrovich, Williamsburg, and the bridesmaids were: Mrs. Pauline Hertz, Mechanicsburg, and Miss Sarah Grove, sister of the bride.

Robert L. Hertz, Mechanicsburg, served as best man and the ushers were Harold Grove and David Grove, cousin and brother of the bride.

The ring bearer was Scott Hoffer and the flower girl was Vickie Hoffer, Bellwood, Pa.

Following the ceremony a reception was held for approximately 100 guests at the VFW building. The couple will reside at R. 2.

The bride is night supervisor at the Annie M. Warner Hospital and is a graduate of Williamsburg High School and the Altoona Hospital School of Nursing. The groom attended Gettysburg High School and is employed as male attendant at the hospital.

Out-of-town guests were present from New Jersey, Altoona, Mechanicsburg, East Berlin and Gettysburg.

EXPECT 2,000 AT PARENTS' DAY AT MOUNT

The tenth annual Parents Day will be held at Mount Saint Mary's College, Emmitsburg, on Sunday beginning with a Mass at the Mount Grotto at 11 a.m. More than 2,000 persons are expected for the day, according to Rev. Carl J. Fives, dean of academic studies.

In recent years the program has been expanded into a spring weekend by the student body, highlighted by a name-band dance on Saturday evening. This year the committee under the leadership of Michael J. Healy and Richard J. Higerson, both juniors, have selected the Glenn Miller orchestra under the direction of Ray McKinley. The affair will be held in Memorial Gymnasium from 9 p.m. to 1 a.m.

TO SERVE BRUNCH

Following the Sunday Mass at the Grotto, parents, students, faculty and guests will be served a "typical Mountaineer" brunch in the dining room of the new Cogan Union. At 2 p.m. an informal reception by the president and faculty of the college will be held in the Union lounge. Benediction will be held at 3:30 p.m. in the College Chapel.

Rev. Fr. Fives said that Sunday's schedule has been shortened this year to allow the parents more free time to tour the campus with their sons. The program has also been planned to honor Blessed Elizabeth Ann Seton, Rt. Rev. George D. Mulcahy, rector of the seminary, will deliver a sermon on "Mother

DRILL TEAM AT COLLEGE IN FESTIVAL

The Super-Sabres Drill Team of the Air Force ROTC unit at Gettysburg College will participate in the 36th annual Shenandoah Apple Blossom Festival on Friday at Winchester, Va.

The Super-Sabres have been chosen to serve as honor guard during the "Salute to the Queen," springtime music-song-dance feature entertainment at 11 a.m. in the Handley Bowl. Presentation of Queen Shenandoah XXXVI, princesses, grand marshal and dignitaries will take place at this time.

The Super-Sabres will also appear in the parade beginning at 1:30 p.m., which includes 200 antique cars, 60 floats and 85 bands.

20 ON TEAM

The Gettysburg drill team is composed of 20 cadets in command of Cadet Captain Eric D. Fields of Huntington, N. Y. The uniform worn by its members includes a polished aluminum helmet, white neck scarf, blue shirt, blue trousers with white stripes, black combat boots with white lacing. They carry Springfield 0-3 rifles.

Wide Temperature Spread In April

The temperature spread last month at the Arendtsville weather station was from a high of 85 degrees to a low of 26 degrees, according to the monthly report of the observer there, Dr. Frank N. Hewetson. The high reading came on April 2 and the low on April 8.

The average daily high reading there last month was 64.4 degrees and the daily low readings averaged 39.6 degrees. The month's average temperature of 52 degrees was 1.2 degrees above normal and 7.5 degrees above April of last year.

Rainfall there totaled 1.93 inches which was 1.96 inches below normal and 1.67 inches below April of last year. The four-month accumulation of rain is 10.03, Dr. Hewetson said. This is 3.28 inches below normal and 4.28 inches below the same date last year.

represented by its drill teams in the Apple Blossom Festival for a number of years. The Super-Sabres have participated in numerous competitive drills in Philadelphia, Maryland and neighboring cities. Last fall the Super-Sabres won first place in the Alsatia Mimmers parade in Hagerstown, Md.

T-Sgt. Donald Swiger of the ROTC staff will accompany the drill team to Winchester.

CHOOSE TEAM FOR ADAMS FHA

The leadership team for the state Future Homemakers of America conference was chosen recently at the final meeting of the Adams County Council of Future Homemakers of America at the Bermudian Springs High School.

The team will include: Leader, Deanna DeGroot, Littlestown; recorder, Connie Stallsmith, Bigler; chapter hostess, Sandy Reed, Gettysburg; evaluator, Vicky Gardner, New Oxford; and consultant, Mrs. John Lott, of the New Oxford School.

This team will meet on May 8 at New Oxford High School to make final plans for going to Penn State University. Their theme will be "This Is the Way We Grow" in accordance with the national projects: "Stay in School," "Action for Citizenship," "Marriage Calls for Preparation," "Focus on Family Friendship" and "You and Your Values." Miss Margaret Brandt, home economics education adviser, made suggestions for developing the team.

After the business meeting a filmstrip on the Junior Homemaker degree was shown. The Add-a-Bit covers were made by the Littlestown chapter.

STORE PLANS OPEN HOUSE

The Community House Furniture Company, Littlestown, will hold an open house Thursday, Friday and Saturday to introduce a new Early American department. The store will be open from 9 a.m. to 9 p.m. daily through the celebration.

A \$50 and a \$25 bond will be awarded to two guests during the open house celebration, and numerous other prizes will be given to visitors who register during the event. Refreshments will be served, and children and adults alike will receive souvenir gifts.

The new department will occupy the entire basement of the firm's building. Carroll Arter, co-owner and manager of the Littlestown store, said that the space provides approximately 1,000 additional feet of display space. The Early American collection will include furniture, lamps, tables and other accessories. Arter said that Early American has become a specialty of Community House.

Christian Science Broadcast Sunday

Sunday morning from 7:30 to 8 o'clock a Christian Science program will be broadcast by Station WCAU, Philadelphia, on its radio "Church of the Air." The subject of the program is "The Weapons of Our Warfare."

It was St. Paul who wrote "For the weapons of our warfare are not carnal but mighty through God to the pulling down of strong holds." The program enlarges on this theme, relating how a number of Bible characters overcame evil in its many phases by complete trust in God and how today men can combat the forces of evil through active prayer that relies on God alone and follows the guidance which God gives.

The speaker will be Bernard C. Berry, Christian Science Committee on Publication for Pennsylvania. Musical selections on the program have been prerecorded by Frederick Jagel, soloist at the Mother Church, the First Church of Christ, Scientist, in Boston, Mass., and a quartet.

Hawbaker Offers Bill On Assistance

HARRISBURG (AP)—Wages earned by relief recipients for casual work of less than a week's duration would be paid directly to the state to help finance the public assistance program under a bill before the Senate.

The measure (S473) was introduced Tuesday by Sens. D. Elmer Hawbaker, R-Franklin; Albert R. Pechan, R-Armstrong; and Stanley G. Stroup, R-Bedford.

Gettysburg Is Inquirer's 7th Shrine Series

The Gettysburg Battlefield was the subject Tuesday of the Philadelphia Inquirer's seventh in the historic shrine series.

Written by Frank H. Weir, the article was illustrated with color reproductions of four paintings of Battlefield scenes by Benjamin Eisenstat. They were the Soldier's National Monument, where President Lincoln gave his dedicatory speech Nov. 19, 1863; the High Water Mark, the Virginia Memorial and Devil's Den.

The two-page article reviewed the Battle of Gettysburg by troop movement and the subsequent events surrounding the battle and the establishment of the National Cemetery and Park. Weir's article also includes a detailed map of the Battlefield, showing the recommended Battlefield tour featured by the Park Service. The map was drawn especially

for the edition by staff artist William Streckfuss.

REVIEW OTHER EVENTS

Weir's article reviews the three previous anniversary programs, and says that many of the 2,400 monuments on the field today were erected and dedicated by veterans of the Civil War during the 25th anniversary of the Battle. In 1913, the number of veterans had thinned, but thousands returned to hear Woodrow Wilson deliver a message on July 4. The 75th anniversary, which was the Last Reunion of the Blue and Gray, was attended by 1,845 veterans and is described by Weir as "the most impressive public tribute to surviving veterans." President Franklin D. Roosevelt dedicated the Eternal Light Peace Memorial on July 4, 1938.

President Kennedy had been invited to address the nation from the Eternal Light Peace Memorial on July 4 during the 100th anniversary program.

to remove him to the hospital, but, before he could be placed in the ambulance, Butt regained consciousness and leaped from the stretcher and raced away on foot. Attendants and by-standers took up the chase and captured him.

The driver of the hit-run car John L. Smith, 22, New Oxford, walked into the state police station in Gettysburg Sunday and surrendered. Butt allegedly was a passenger in the Smith auto. Smith told police he left the scenes of the accidents because he lacked a driver's license.

Smith struck a truck operated by Boyd K. Seig, New Oxford R. 1, near New Chester, and continued without stopping. He later was involved in a three-car crash on the Lincoln Highway near Abbotstown in which he struck an auto driven by John B. Sheffer, Milford, Del., which was in the center lane of the highway passing a car driven by Larry Lee Sigler, Rockville, Md. Smith's car struck both vehicles and failed to stop at the scene, according to the police report.

TWENTY-FIVE YEARS AGO

Buys Linoleum For Hospital:

The purchase of linoleum for the floor of the Warner Hospital kitchen was voted at the April meeting of the Ladies' Auxiliary Monday afternoon at the Nurses' Home after the house committee had reported the need for a new floor covering. Miss Mary Ramer, auxiliary president, presided, with 20 members in attendance. It was announced that the annual benefit card party will be held at The Mill, the summer residence of Dr. and Mrs. J. McCrea Dickson, Knoxville, May 26.

Wed In Lancaster:

Thomas C. Brenner, son of Mr. and Mrs. Joseph A. Brenner, Hanover, and Miss Helen Fleming, Gettysburg, R. D., were married last Saturday afternoon at Lancaster. The ceremony was performed by the Rev. F. Brown. They have gone to housekeeping at Littlestown, where the bridegroom is employed in a shoe factory.

Dr. Johnson To Open Office:

Dr. and Mrs. Harold C. Johnson, formerly of Philadelphia, moved to 44 Chambersburg street today, into the property formerly occupied by the late Dr. John L. Hill and his family. The middle of next week Dr. Johnson will open his office on the first floor of the building for the practice of general medicine. Dr. Johnson is a graduate of Gettysburg College with the class of 1931 and of the University of Pennsylvania school of medicine with the class of 1935. He served a two-year internship at the Philadelphia General Hospital and since that time has been resident pathologist and an assistant chief in the heart clinic of the same hospital. During the last school year he has been an instructor in pathology at the University of Pennsylvania school of medicine and the graduate school.

Little Renamed To School Post:

The Adams county board of school directors confirmed on Friday evening the nomination of Marsby C. Little for reappointment as assistant superintendent of public schools in the county. The nomination for the four-year term appointment was made by County Superintendent Ira Y. Baker, who was re-elected to the superintendency earlier this month. Prof. Little entered the county school system about four months ago when he resigned a supervisory position in the schools of Stoneboro, Pa., to take the position made vacant by the advancement of Baker to the county superintendency from the post of assistant. This morning at 9 o'clock Judge W. C. Shively administered the oath of office of Mr. Little in the judicial chambers in the court house.

Mrs. Orner On Way To Recovery:

Relatives and friends of Mrs. Arnold Orner, Arendtsville, who is a patient in the Bethesda hospital, Zanesville, Ohio, as the result of serious injuries received in an automobile accident near Zanesville Sunday, April 10, returned home Friday evening after a brief visit and reported her condition to be greatly improved. Mrs. Orner is apparently well on the way to complete recovery, according to hospital officials. Those returning Friday evening were Mr. and Mrs. P. S. Orner and Eugene Tuckey, Arendtsville, and Mr. and Mrs. Robert Peters, Bendersville.

Cupid More Active:

The volume of the marriage license business in Adams County continued to swell during the month and sent the 1938 total to date considerably above the 1937 figure for the first four months. The figure up to May 1 this year is 64 as against 45 for the same period in 1937. Last month 25 couples applied for licenses at the Adams county marriage license bureau in the office of the clerk of courts. In April of last

LETTING THINGS ALONE

Growth must not be tampered with too much.
If we get to thinking of our own selves too much, we get all bound up. We lose perspective and put a walled fence about our best aspirations. And the more we brood, the less use we are to ourselves or anybody else.

It is a good thing to let yourself alone. You are sure to work out all right if you do.

We are able to create only as we look out — and in — and up! If you planted a seed and then, just as it pushed its sprouts out of the ground, you uncovered it to see what was going on, you would arrest its perfect growth, you would stunt its flowering. Development must come naturally. The trapeze performer thinks nothing of himself as he hangs from his dangerous height and thrills his watchers with his trained body under perfect control.

You see, he must center all that he is on the task he performs.

And we must follow the same procedure in all that we do. We must keep traveling away from ourselves — losing our identities in the things we do.

If your task is important, follow through with it until the end. If it isn't important, get one that is.

I knew of a very wealthy man who was always changing around everything that he did. He never seemed satisfied. He was restless and wasteful. He was never satisfied to let a good thing alone and pass on to the making of a new one. As a consequence those who worked for him got dissatisfied and he was all the time losing good employees. Many years ago he was a creator — today he is just a muddler.

Try to remember that you are what you do!

MAY TIME

The roses have started to bud.

The lilies full growth have attained.

From where once was nothing but mud

The tulips new blossoms have gained.

And the trees—was last winter so brief?

Have suddenly sprung into leaf.

There's a chorus of song in the air.

The breezes are fragrant and sweet.

The mournings doves nest over there.

All the marvels of nature repeat.

Now I wonder mid blossom and song

Why I fancied the winter so long?

The grass has turned green. It is May.

There are lilacs in blossom once more.

Bare-headed children now play

Wide-open are window and door,

But another year older am I,

How swiftly the eons go by!

Templars Urged To Uphold

Americanism: Nearly 1,000 Knight Templar in full uniform marched to the National Cemetery Sunday afternoon at 2 o'clock for the eighth annual Ascension Festival Service, while hundreds of other knights with their friends and families mixed with the throngs that lined the streets along which the procession moved. In the principal address in the cemetery, the Rev. Dr. William Barnes Lowrey, Philadelphia, grand prelate, challenged the knights to aid in the preservation of "tested standards of Americanism which must be upheld because they are and always have been Christian."

Trinity Circle Organizer Dies:

Friends here received word this morning of the death of Mrs. Mary Ellen Pontius, wife of Dr. Paul R. Pontius, former pastor of Trinity Evangelical Reformed Church in Gettysburg. Death occurred at Lehigh where Dr. and Mrs. Pontius have resided since leaving Gettysburg 16 years ago. Mrs. Pontius was the organizer of the Trinity Circle, which continues as an active organization in the local church. Her husband served as pastor here from 1916 to 1922. Mrs. Pontius is survived by her husband and four children.

Place Teachers In Cumberland:

The Cumberland township school board met Friday evening at the home of Emory A. Fox, Taneytown Road; adopted the budget for the coming year; fixed the tax rate at 18 mills, the same millage that was levied last year; elected Walter S. Swisher as board treasurer and assigned teachers to seven schools in the township for the 1938-39 school year. The teacher assignments were announced as follows: Belmont school, Lorraine Sites, who succeeds the late Robert Fisher

TO PRESENT EMMY AWARDS TO 30 MAY 26

By CYNTHIA LOWRY
AP Television-Radio Writer

NEW YORK (AP)—Television's equivalent of the motion picture Oscars are the golden Emmy Awards, which will be presented to the winners in 30-count 'em 30-categories during a 90-minute NBC broadcast on May 26.

Meanwhile, the 6,000 members of the National Academy of Television Arts and Sciences scattered through nine chapters around the country and in various television jobs will be casting their ballots for some of the 140 or more candidates.

The very nature of television suggests that the voters must have missed some or many of the programs and performances nominated for honors.

OFFER RERUN

Unlike a motion picture, a television program usually is broadcast once and then vanishes, if not forever, at least until summer rerun time. It is logical to assume that many of the eligible voters had bridge dates, went bowling, were fixing leaky faucets or—even more logical—watching a program on another network when some of the selected programs had their exposure.

(In this connection, ABC is playing it smart: it is rerunning "The Voice of Charlie Pont" Thursday night on its "Premier" program. That drama in the anthology series is up for honors in several categories, including "Show of the Year.")

There is also a basically troublesome area in trying to contain television shows in even 30 categories. In the "Show of the Year" category, for instance, an amusing hour of comedy and music, "The Danny Kaye Show with Lucille Ball," is pitted against "The Tunnel," a documentary photographed during the actual digging of a Berlin escape route.

CHOICES ARE TOUGH

How does one choose between two programs at opposite poles? The other two candidates for top honors are a two-part drama, "The Madman" in the "Defenders" series, and "The Voice of Charlie Pont"—altogether an impossible quartet from which to make a sensible choice.

DIRKSEN SEES THREAT OF WAR IN MIDDLE EAST

By ERNEST B. VACCARO

WASHINGTON (AP)—Senate Republican Leader Everett M. Dirksen of Illinois today called the Middle East situation "explosive and dangerous" and said it holds the threat of a third world war.

Dirksen thus added his voice to bipartisan expressions of fear of possible Arab aggression against Israel.

DRIFT IS DANGEROUS

"You cannot permit the situation to drift too long, because drift is always dangerous," he added. Sen. Jacob K. Javits, R-N.Y., who spearheaded a flood of Senate speeches Tuesday demanding U.S. intervention, predicted there will be increased pressure "for a change in our policy of drift."

Javits proposed, among other things, that the United States attempt to get Britain, France, and other Western nations to join it in a collective defense agreement with Israel. He warned that "time is running out on peace in the Middle East."

His speech set off bipartisan appeals for this and other U.S. action, including a call by Sen. Hubert H. Humphrey of Minnesota, assistant Democratic leader, for an embargo on arms shipments to the Middle East and stronger U.N. peace-keeping operations.

The speeches were arranged in informal consultation to give emphasis to pressure on the administration.

Javits and other speakers accused the Soviet Union of pouring guns, tanks, planes and ships into Egypt to reequip President Gamal Abdel Nasser's armies and of using every opportunity to stir up the Arabs because of Israel's commitment to the West.

Denies Reports Minuteman Missile Cannot Deliver

EDITOR'S NOTE: There have

been reports that the important U.S. Minuteman missile project has run into unexpected difficulties. In the following exclusive interview, Brig. Gen. Samuel C. Phillips, director of the Minuteman program, discusses the situation.

By RALPH DIGHTON

NORTON AIR FORCE BASE, Calif. (AP)—The director of the Minuteman program says there is "absolutely no truth" to reports that the intercontinental missile cannot carry its payload to targets in the Soviet Union.

In fact, he says, "we have achieved more than was asked in all respects, including range and payload."

This evaluation came from Brig. Gen. Samuel C. Phillips, director of the Minuteman program and a key figure in rushing the solid-fuel missile to combat status ahead of schedule.

REPORT SERIOUS SNAG

Minuteman has leapfrogged earlier-developed liquid-fuel missiles and won the primary role in this nation's defense arsenal. The United States has set several billion dollars that the Minuteman, capable of streaking from bomb-proof silos even while under attack, will prevent nuclear war.

This has been done with little criticism. But reports began cropping up recently that minuteman had hit a serious snag—that tests have shown it did not have enough power to hurl its warhead the necessary distance.

In a rare exclusive interview at this headquarters of the Air Force Ballistic Systems Division, Phillips discussed the Minuteman program.

EXCLUSIVE INTERVIEW

Q. General, can you say if there is any basis to these reports (of difficulties)?

A. There is not. Absolutely no basis at all.

Q. How do you think these re-

ports originated?

A. Possibly they were based on mistaken information. The distance traveled in test launchings on the Atlantic missile range has been announced as 3,000 to 4,000 miles. This is considerably less than the 6,000 miles required of intercontinental missiles.

2 FAILURES LAST YEAR

However, the missiles tested over the Atlantic carried range safety instrumentation which the operational missile will not carry. The instrumentation section is 18 inches long and weighs hundreds of pounds.

Also, there are research requirements for the re-entry vehicle. This, too, means extra weight. We could have impacted at full intercontinental range in every case, but we felt we needed the research data more than we needed the publicity.

Q. There were two Minuteman

failures last year at Vandenberg Air Force Base, Calif. Can you explain those?

SURPRISINGLY FEW

A Vandenberg is where the whole missile system is brought together—the missile itself after preliminary testing at Cape Canaveral, Fla., the ground equipment necessary for launching, and the Air Force crews being trained to man operational sites.

Sometimes at Vandenberg we push the bird to its limits to see what will happen. We subject it to trajectory and heating conditions it would not have to withstand in operational use. Even so, our failures have been surprisingly few, and the causes have all been isolated and corrected.

INSTITUTE IS HELD BY WCTU

The Adams County Institute of the Woman's Christian Temperance Union was held Saturday at the Morning Hour Chapel, Brethren in Christ Church. The motto was "For God and Home and Everyland" and the theme "Dimensions of Progress."

The afternoon program with Mrs. Bonnie Fadenrecht, president, presiding, and Mrs. Virgie Hess, organist, was as follows: Registration; welcome by Rev. Victor Nichols, pastor at Morning Hour Chapel; response by Mrs. Walter Slaybaugh; devotions by Rev. Karl Swartz from Psalm 95 and II Cor. 12.

The Loyal Temperance League group from Morning Hour Chapel and York Springs units under the direction of Mrs. Earl Fetrow gave a demonstration of a meeting with Billy Fetrow, president, presiding and Barbara Decker, secretary for Morning Hour LTL, and Ruth Meyers, secretary for York Springs, giving the minutes and roll call. Sandra Trimmer led in prayer and Linda Stevens read the scripture. Following the song, "Win Them One by One" the salutes to the American flag, the Christian flag and the temperance flag were given. The treasurer's report was given by Michele Hinkle and Barbara Decker. Mrs. Fetrow told the children a story entitled "The Picnic." After singing two songs the LTL pledge and salute were given.

A play was presented by Mrs. Earl Fetrow, Mrs. Mabel Miller, Mrs. Roy Williams, Mrs. Virgie Hess, Junior Dehaven, Connie Dehaven, Carolyn Dubbs and Billy Fetrow. Two students from Mrs. Ruth Wisler's class at Gettysburg High School gave talks on "Delinquency" and "Alcohol."

The afternoon session closed with the benediction by Rev. Mr. Nichols and refreshments were served to the children.

The evening program under direction of Mrs. Earl Fetrow consisted of instrumental numbers by the YTC band; devotions by Rev. Karl Swartz; several WCTU songs, a solo, "Breathe on Me Breath of God" by Mrs. Karl Swartz; temperance reading by Miss Anna Beth Fadenrecht. The speaker of the evening, Rev. O. B. Poulson, chairman of Christian Concern Committee and active in Pennsylvania Federation Legislative Committee, spoke on "Our Heritage."

FEDERAL AID TO SCHOOLS IS OUT THIS YEAR

By JOHN BECKLER

WASHINGTON (AP) — Democratic leaders of the House Education Committee have given up all hope this year for legislation providing general federal aid to schools. They are dropping it from the administration's education bill.

Chairman Adam Clayton Powell, D-N.Y., and other ranking Democrats have decided it would be futile to ask Congress now to provide aid for public elementary and high schools.

They still hope, however, to keep most of the rest of President Kennedy's comprehensive education bill in once piece, despite pressure from committee Republicans to concentrate on a single section—aid to colleges.

DECISIONS TUESDAY

Abandonment of the proposal to make federal funds available to the states for public-school construction and teachers' salaries marks the third straight year Kennedy has been unable to get a vote in the House on what he has called the heart of his education program.

Religious and racial controversies plus widespread opposition to the concept of federal aid to education have built up a formidable opposition that makes the House leadership reluctant to risk a floor fight.

The decision to dump the general school aid provisions was reached Tuesday at a meeting of Powell and his subcommittee chairmen.

CONTINUE PROGRAMS

The committee leaders voted to try for an omnibus bill containing seven sections, most of which expand or continue existing programs.

They include: A one-year extension of aid to school districts crowded because of federal installations, expansion of vocational education, grants for education of handicapped children, expansion of aid to public libraries, grants to improve the quality of teaching, strengthening of federal-state-local cooperative educational research programs, and expansion of student-loan and other provisions of the national defense education act.

Bullets' Three-Game Win Streak Snapped By Navy On Two-Hitter By Graham

Gettysburg College's three-game winning streak came to a halt as the Naval Academy baseball squad captured a 5-1 verdict Tuesday afternoon in Annapolis behind the two-hit pitching of Pat Graham.

The Bullets had their ups-and-downs all afternoon. The only two hits off Graham came in the first on Frank Martin's single and in the sixth on another single, this time by Jim Riccobono. Besides getting but two safeties, the Bullets defense made three costly miscues which resulted in Middle scores.

Navy tallied a run in the second inning when Ron Terwilliger got on via a fielder's choice, went to second on a wild pitch and scored on Rager Staubach's single to right. An error and a fielder's choice put pitcher Graham on base in the sixth and lead off hitter Ron Reidel drilled a double to right center for another score. The Middies tallied two in the seventh and their final in the ninth.

The Bullets' lone score came in the eighth when Bill Jacobson reached second on a two-base miscue, went to third on another error and scored on a fielder's choice.

Graham went the distance on the hill for Navy, striking out five and giving up two walks for his third win in five decisions. Bill Forester started for the Bullets with Bob Hinds coming on in the eighth. The loss was Forester's second against one win.

Gettysburg is now 5-6 on the season while Navy is 8-4. The Bullets will travel to Lancaster on Thursday to meet Franklin and Marshall.

The Gettysburg Freshmen had the damper put on their first game of the season as their engagement with the Navy Plebes was called off due to wet grounds. The Little Bullets will journey to Hagerstown on Monday to meet North Hagerstown High School.

Dull won the javelin, pole vault and broad jump to account for three of Biglerville's eight firsts. Dick Guise, Caner sprint star, won both the 100 and 220-yard dashes.

Other first places for Biglerville went to Mike Thomas, 440; Jim Oyler, 180 yard hurdles; Mike Thompson, shot-put, and the 880 relay squad of Jeff Horick, Oyler, Larry Wetzel and Dick Guise.

Next Wednesday the Cannons (3-2-1) will meet Waynesboro on the latter's field in a non-league affair.

YANKS FACE STIFF FOES IN PAN-AM GAMES

By JERRY LISKA
Associated Press Sports Writer
SAO PAULO, Brazil (AP)—The U.S. raid on track and field gold medals could hit a real snag in the fourth Pan-American Games today with the Yanks facing a battle in all four men's finals and the wrap-up of the decathlon.

Although the U.S.A. captured six of the eight men's events in three track sessions since Saturday, Latin American opposition is bristling in the 200-meter sprint, 400-meter hurdles and 10,000-meter run, while Canadians appear the men to beat in the 800-meter run and the payoff round of the decathlon.

Meanwhile, the United States continued its monotonous harvest of gold medals with 68 for all sports since the Games started April 20.

ANGELS STOP YANKS; CARDS EDGE BRAVES

By MIKE RATHET
Associated Press Sports Writer
Ken McBride keeps setting up a rendezvous with fame, but someone is always breaking the date.

The 27-year-old ace of the Los Angeles pitching staff flirted with a no-hitter again Tuesday night, but eventually needed ninth-inning relief help before the Angels were able to subdue the New York Yankees and the reunited Mickey Mantle-Roger Maris combination 6-3.

Holding the Yankees hitless for 6 1-3 innings, McBride's second no-hit bid of the season was broken up with one out in the seventh inning when first baseman Joe Pepitone singled through the middle. To McBride, it was just another broken appointment.

SIMMONS WINS 4TH
Curt Simmons won his fourth game without a loss, allowing only four hits as St. Louis edged Milwaukee 2-1 and took over first place in the National League with its fourth straight victory and eighth in nine games.

Only one other game was played, in the AL, as Camilo Pascual scattered 11 hits and was backed by a 14-hit Minnesota attack that subdued Baltimore 8-1. Six games were postponed due to rain.

YANKS GET TO McBRIDE
The Yankees got to McBride for their first run in the eighth inning on Cleve Boyer's double and Tony Kubek's single. When Mantle and Maris singled opening the ninth, McBride was relieved by Jack Sprig. Pepitone singled home a run, and after Art Fowler took over for Sprig, Elston Howard singled home another. Boyer fouled out and pinch hitter Dale Long lined to Albie Pearson, who raced in for the catch and threw to second base to get Pepitone for a game-ending double play.

Simmons, lowering his earned run average to 1.25 with his fourth complete game, was tagged for a first inning homer by the Braves' Frank Bolling in the first inning, then had little difficulty until the eighth inning when pinch hitter Bob Uecker doubled.

HOMER DECIDES IT
Le Gabrielson followed with a single to right, but George Altman raced in and fired a strong, accurate throw that caught Uecker at the plate as he tried to come around with the tying run.

Julian Javier's fifth-inning homer off starter and loser Denny Lee-master proved to be the deciding run for the Cards.

Five Twins' doubles off the Orioles' Steve Barber gave Pascual an early 3-0 lead and he held on until Minnesota put it away with a five-run burst in the eighth inning. Pascual drove in two of the runs with a single and Rich Rollins accounted for a pair with a double.

Eastern League

Elmira and Springfield braved wind and rain Tuesday night to complete an interrupted game and play another and each team won once.

All other action in the Class AA Eastern League was rained out. Binghamton won the first game, which had been suspended because of lighting difficulties Monday night, 3-1. In the night cap, Elmira won 9-0, to remain within one game of league leading Springfield.

Monday's game was suspended after four innings because of lighting difficulties, when Binghamton was leading 2-1.

day and Wednesday a pair of fleet Venezuelans — Arquimedes Herrera and Rafael Romero — and Trinidad's Cliff Bertrand may gang up on the U.S. lone 200-meter finalist, L. Olan Cassell of Ft. Sam Houston, Tex.

In the 800-meter run, also fancied an American forte, Canada's Don Bertioia and Sig Ohlemann look mighty tough for Ernie Dotson, ex-Kansas runner.

MEETS SUAREZ
All the Yank pair of balding Pete Mc Ardle, Ireland-born New Yorker, and John Gutknecht, Chapel Hill, N.C., has to beat in the 10,000-meter grind is Argentina's great Osvaldo Suarez, seeking his third successive Pan-Am title, and Canada's Doug Kyle, 1959 runner-up.

With the decathlon entering its final five events—the discus, pole vault, 100-meter hurdles, javelin and 1,500 run—it appeared unlikely the half-way leader, Venezuela's Hector Thomas Martinez, could maintain his spritely pace of Tuesday.

Both U.S. contenders, Russ Hodge of Roscoe, N.Y., J. D. Martin of Norman, Okla., are moving into their strong events. But they could have trouble with versatile Doug Gaidner, the Canadian champion.

32,381 WATCH ANGELS BEAT YANKS 6-3

By BOB MYERS
LOS ANGELES (AP)—Some day, and it might happen at any time, youngling Ken McBride of the Los Angeles Angels is going to pitch a no-hitter.

The stylish, 27-year-old right-hander seemed headed for one Tuesday night against the New York Yankees.

For 6 1-3 innings McBride silenced the Yankee guns, including Mickey Mantle and Roger Maris, who got into the line-up together for the first time this season.

The no-hitter ended in the seventh and McBride's shutout came to a conclusion in the eighth, but McBride was the winner on a 6-3 decision before 32,381 in Chavez Ravine.

BOLINSKY TONIGHT
Speaking of no-hit hurlers, Bob Bolinsky, who had one last year and not much luck so far this season, goes for the Angels tonight against Ralph Terry. Bo is 0-3 and Terry is 3-1.

Earlier this year McBride had seven hitless innings against Chicago, and last year against Minnesota he had one going for 6 2-3 innings.

It would be nice to say Ken finished in a blaze of brilliance Tuesday night. But the truth was, he wasn't around at the finish.

Manager Bill Rigney, taking no chances with the belatedly aroused M.C. boys, as well as Joe Pepitone, sent in Jack Sprig, and even quicker, Art Fowler, to quell a Yankee uprising in the ninth.

NBA TO ELECT 2ND PRESIDENT AT MEET TODAY
By JIM BECKER
NEW YORK (AP)—The National Basketball Association, basking in the glow of a 35 per cent regular season gate increase, will name the second president in its 17-year history today, in the final session of the annual meeting.

J. Walter Kennedy, 49-year-old mayor of Stamford, Conn., and former NBA press chief, is in line for the post.

RESIGNS AS MAYOR
Kennedy has written out his resignation as mayor. The NBA has called a news conference today, presumably to announce Kennedy's appointment as successor to Maurice Podoloff, the only chief the pro league has since its 1946 founding.

Podoloff is retiring. His contract expires today. Podoloff's last official act was to provide over the annual draft meeting Tuesday, at which the nine teams picked over a relatively indifferent crop of college stars.

Podoloff also announced a 35 per cent NBA gate increase last season, and a 28 per cent boost in playoff game receipts.

THURMUND TO WARRIORS
The New York Knicks, cellar team last year, grabbed the only two All-Americans available in the draft, Art Heyman of Duke and Jerry Harkness of Chicago Loyola.

They made Heyman the No. 1 pick after the Cincinnati Royals had tabbed Tom Thacker of the University of Cincinnati as a territorial choice.

San Francisco sprang a surprise naming Nate Thurmond of Bowling Green, a 6-foot-11 center. The Warriors, picking third, had been expected to strengthen their back court, since they have 7-1 Wilt Chamberlain at center. Detroit, picking fourth, wanted Thurmond.

VERNON LAW BACK WITH PITTSBURGH

By MURRAY CHASS
PITTSBURGH (AP)—Vernon Law is back with Pittsburgh and its already crowded pitching staff today, cautiously optimistic about his chances of regaining the touch that sent him to the pinnacle of the hurling heap three years ago.

The Pirates recalled the 33-year-old right-hander Tuesday from Kingston (N. C.) of the Class A Carolina League. He was sent there several weeks ago so he could pitch regularly and in warm weather.

ARM IS BETTER
"My arm is the best it's felt in two years," Law said early today, referring to the soreness that has plagued him since he won the Cy Young award and helped spark the Pirates to the pennant and World Series victory in 1960.

"It would be foolish to say the arm is 100 per cent. After all, in 1960 I had no soreness at all. Naturally I know the sore spot's back there, but I don't have the sharp pain that I had in the past two years."

No one could say when Law will receive his first pitching assignment. He won two games at Kingston, going the distance in each on an eight-hitter and a three-hitter.

"It's up to the skipper (Manager Danny Murtaugh) to decide when I'll pitch," the 12-year veteran said. "He's got five or six starters now."

Murtaugh indeed has an abundance of starting hurlers—Bob Friend, Don Schwall, Earl Francis, Al McBean, Don Cardwell and Joe Gibbon. This could prevent Law from getting too much mound work.

SIMMONS PUTS CARDS IN FIRST
ST. LOUIS (AP)—Curt Simmons, never a 20-game winner in 15 years in the major leagues, and the St. Louis Cardinals, who haven't won a pennant in 16 years, continued their early-season stride toward both goals Tuesday night.

The St. Louis left-hander, as sharp as the 33-degree weather, ran his record to 4-0, all complete games, as he pitched the Cardinals into first place by beating the Braves, 2-1.

Simmons gave up just four hits, including Frank Bolling's first-inning homer, as he whipped the Braves for the first time since 1958.

"I'm not thinking about 20 games yet," said Simmons, who helped pitch the Philadelphia Phillies to their last pennant with 16 victories in 1950. "I'll take them one at a time."

Only twice in his career has Simmons had better springs. In 1953 with the Phillies he started with a 6-1 mark and finished with 16-13. Last year with the Cardinals he won his first five games but faded to a 10-10 finish.

The Cardinals, too, also have made a number of determined starts since winning their last pennant in 1946. They have finished second four times since then.

Major League Stars
BATTING—Julian Javier, Cardinals, homered in fifth inning for decisive run in 2-1 victory over Milwaukee that extended St. Louis winning streak to four games.
PITCHING—Curt Simmons, Cardinals, won his fourth without a loss, allowing only four hits in 2-1 triumph over Braves.

Rains Erase Sports Card; Warriors At Littlestown Under Lights Thursday

Showers and thunderstorms which swept the area Tuesday afternoon resulted in postponement and cancellations of many sports activities.

The Gettysburg - Waynesboro High School baseball game here fell victim to the rain and will not be re-scheduled, according to George Forney, local athletic director.

Don Young's Warriors will engage in their first arc-light game in history Thursday evening when they meet unbeaten Littlestown in an Adams County League game at Memorial Field, Littlestown, at 7:30. The Warriors then meet Chambersburg on the latter's field Friday afternoon.

Thursday's game will be the first of three under-the-light contests for Littlestown. Next Monday the Bolts host Francis Scott Key and May 14 entertain Bermudian Springs, both games starting at 7:30. Jack Bream, Littlestown athletic director, said the night games are being tried as an experiment to bolster interest and that an admission of 50 cents for adults and 25 cents for students will be charged at each game.

GAMES TODAY
The New Oxford - Littlestown game at Littlestown Tuesday was rained out after two scoreless innings and was re-scheduled for today. Bermudian and Fairfield also re-scheduled their county league game for this afternoon at Fairfield.

Biglerville has rescheduled its Blue Mountain League contest with East Pennsboro for May 15 at Biglerville. The Big Spring-Susquehanna game at Susquehanna was recorded for May 21. No date has been announced for the North-Boiling Springs contest on the latter's field.

A track meet scheduled for here between the Gettysburg College freshmen and Mercersburg Academy was also postponed.

DILLION SAYS BUDGET MAY BE CUT BY MILLION

By WHITNEY SHOEMAKER
WASHINGTON (AP) — Secretary of the Treasury Douglas Dillon said Tuesday the economic outlook is promising that the estimated \$11.9 billion deficit in President Kennedy's 1963-64 budget may be cut a billion dollars.

This provides even more reason for reducing taxes, Dillon told a meeting of the U. S. Chamber of Commerce.

Kennedy had forecast the deficit of nearly \$12 billion—largest ever projected—when he proposed a \$98.8-billion spending program for the year beginning July 1, along with a three-step tax reduction plan.

RIGHT TIME
In his prepared remarks for a tax and spending discussion on the second day of the business group's meeting, Dillon said it would have been unrealistic four or five months ago to expect conditions for a tax cut would be so favorable. Now, he said, "the time is right."

Based upon the economy's performance in the last few months, he added, prospects for the year are relatively better than most observers had anticipated.

"If the improvement continues," Dillon said, "our estimated revenues for fiscal 1964 may well be more than we estimated in January—perhaps by as much as a billion dollars—thus reducing the deficit."

CUT EFFECTIVE
"Even more important, a tax cut when the economy is reasonably buoyant would be far more effective in carrying us toward full employment than a tax cut when the economy is merely limping along."

He said Kennedy's tax program is designed to "accelerate our economy" well into the future. The economy now, he said, is ideal for this kind of program.

Responding to critics of budget deficits, Dillon said "the deficit we now face is the result of an economy which produces too little—rather than of a government which spends too much."

"There can be no question," he said, "that if our economy were operating at reasonably full capacity, our tax system would today be producing more than enough revenue to finance our current national needs within a balanced budget. Instead of worrying about deficits we would be enjoying budgetary surpluses."

6 Forest Fires In Pocono Mountains

STROUDSBURG, Pa. (AP)—At least six forest fires swept various portions of the Pocono Mountains in eastern Pennsylvania Monday night and Tuesday, destroying an estimated 1,000 acres of timber.

The fires, scattered throughout Pike and Monroe counties, destroyed at least one vacant building and were blamed in part for one death.

Robert Francis Brown, 45, of Sharon Hill, died of an apparent heart attack while battling a blaze that threatened a rented bungalow where he was vacationing with his wife near Marshalls Creek.

2 TELLERS AND STUDENT FOIL BANK ROBBERY

PHILADELPHIA (AP)—An attempted bank robbery was foiled Monday by the spur-of-the-moment teamwork of two tellers and a college student.

Police said the hold-up man entered the 32nd and Market streets branch of the Philadelphia National Bank, and handed a note and a plastic bag to one of the tellers, Miss Wilda Rogers, 23, of Lawnside, N.J.

The note said, "Put all your big bills in the bag and don't say a word, because I have a gun."

Miss Rogers passed the note to another teller, Mrs. Florence Gallagher, 60, of suburban East Lansdowne.

SOUNDS ALARM
Mrs. Gallagher put \$1,400 in \$50 and \$100 bills into the bag, but only after pulling an alarm switch alerting a security service.

As the man fled with the money, Miss Rogers shouted, "Stop that man!"

University of Pennsylvania student Ricardo Sanchez Gudarrama, who had just walked into the bank, grabbed the man at the door and held on until a policeman arrived moments later and arrested him.

Police said the man identified himself as John Cozzi, 54, an unemployed laborer.

FRANKFURT, Germany (AP)—Two former aides of Adolf Eichmann will go on trial soon for sharing responsibility for the killing of at least 300,000 Hungarian Jews in World War II.

Herman Krumey, 58, and Otto Hunsche, 51, also are accused of extorting millions from their victims on false promises to save them from extermination. Krumey was Eichmann's representative in Hungary in 1944 and Hunsche was one of Eichmann's legal advisers.

JOHANNESBURG, South Africa (AP)—An earthquake described as the worst here in 35 years shook downtown Johannesburg Monday night. Police reported no serious injuries from either tremor.

TOKYO (AP)—Premier Pham Van Dong of North Viet Nam says Communist guerrillas fighting in South Viet Nam are gaining strength despite U.S. pledges they would be wiped out long ago.

SAUDI ARABIA, UAR TO QUIT YEMEN BATTLE

By MAX HARRELSON
UNITED NATIONS, N.Y. (AP)—Secretary-General U Thant announced Tuesday that the United Arab Republic and Saudi Arabia had agreed to pull out of the royalist-republican war in Yemen.

He said a U.N. observer team will see that the agreement is carried out.

Thant disclosed details of the agreement in a report to the U.N. Security Council. He told the 11-nation body he was dispatching Maj. Gen. Carl von Horn of Sweden, head of the U.N. truce supervision organization in Palestine, to the capitals of the two countries at once to arrange for the arrival of U.N. observers.

The agreement was expected to bring to an end the conflict between Yemen royalists and republicans that began last September with the ousting of the royal government.

The pact called for withdrawal of about 20,000 U.A.R. troops from the Red Sea Republic as soon as possible.

Saudi Arabia has agreed to end all aid to ousted King Mohammed al-Badr and to prohibit use of Saudi Arabian territory by royalist leaders to carry on the conflict in Yemen.

A demilitarized zone of 12 miles will be established on each side of the Yemen-Saudi Arabia border to check on the observance of the agreement.

Thant told the Security Council he planned to send a team of not more than 50 military observers to the area, together with aircraft and ground transportation.

He said he believed the mission could be ended within three or four months.

SAIGON, South Viet Nam (AP)—A Communist guerrilla band and a grenade-throwing terrorist injured several American military advisers in South Viet Nam Monday.

Five Americans were hurt when Communist guerrillas shot down a helicopter 25 miles northwest of the coastal city of Quang Ngai.

Two Americans—a captain and a sergeant—were hurt when a terrorist threw a grenade into a restaurant where they were eating. They were evacuated from the southern delta town of Long Xuyen to Saigon for treatment.

MEXICO CITY (AP)—Mexican President Adolfo Lopez Mateos announced in a radio-television speech Monday night that he and the presidents of Brazil, Bolivia, Chile and Ecuador had pledged not to make, receive, test or store atomic weapons.

They invited heads of other Latin-American governments to join them.

A Lovelier You

ENDURING FASHION. For summer wear, cotton has never gone out of fashion. It possesses too many endearing and

enduring qualities. It is cool and looks cool. It takes to suds like flowers to showers and with the same rejuvenating effect.

And, owing to improved finishes, cotton has many new virtues such as wrinkle-resistance, water repellancy and the no-iron feature. But the most significant point is an upgrade in styling and end use.

Jungle prints, for example, place cotton way up in the high-fashion fabric brackets. High-fashion designers are inspired by the delicacy of cotton sheers to create grand-occasion evening dresses.

Meant merely as a sampling, here are some of the zingiest ideas in the cotton field: Town-travel suits of black-and-white cotton tweed, with a homespun look; black poplin all-weather capes; daytime coattresses in neutral shades of waffle pique; jungle print shifts for home-sun wear; sporting blue denim separates with calico touches; in cotton paisley, swim suits and patio skirts; pastel gingham shirtwaisters; flower-printed sheers for twilight hours and after.

Along with all else, cotton obviously is versatile. It will take you anywhere you've a mind to go. And to some places you have not yet "master-minded!"

MOST FLATTERING COLORS

People In The News

By THE ASSOCIATED PRESS
Singer Dennis Day announced in Parks, Nev., Monday that his wife, Peggy, had given birth to their ninth child, whom they named Dennis.

The boy, their sixth, was born at St. Vincent's Hospital in Los Angeles. He weighed 7 pounds, 15 ounces.

Sgt. Alvin York, World War I Medal of Honor winner, is eating heartily and seems to be improving since his return home to Pall Mall, Tenn., from a Nashville hospital, his wife said Monday night.

York, 75, was hospitalized for two weeks with a blood clot in his left lung, a urinary tract infection and other complications. He returned home Saturday.

Comedian Danny Thomas received the 1962 Big Brother of the Year Award in Washington Monday.

Atty. Gen. Robert F. Kennedy presented the award. The Big Brothers of America provide adult male guidance on an individual basis to fatherless boys 8 to 17 years old who are involved in behavior difficulties.

LEAVES HOSPITAL
HOLLYWOOD (AP)—Veteran character actor Otto Kruger, 77, has been released from Hollywood Community Hospital, where he was confined for 11 days suffering from extreme fatigue.

His physician said Kruger will convalesce at his home for about a week before returning to work. The actor was discharged Monday.

ROCKY ADVISES MAKING SWAP WITH SOVIET

By RELMAN MORIN
ALBANY, N.Y. (AP)—Gov. Nelson A. Rockefeller says he believes the United States could make a profitable swap with the Soviet Union on Cuba—the Soviets to stop training saboteurs there in exchange for the American restraints placed on anti-Castro "freedom fighters."

He said President Kennedy should advise Premier Khrushchev, "If you continue this, we will be forced to take drastic action."

The New York governor did not spell out what he meant by drastic action.

ADDRESSES GOP
Rockefeller set forth his views on Cuba Monday night in a speech before a Republican fund-raising dinner in Cincinnati, Ohio. He spoke to a audience of 1,500 who paid \$100 a ticket.

During his one-day visit to Cincinnati, the New York governor also said President Kennedy has made a "clear failure of leadership in Washington." He said Kennedy has not lived up to the "lavish promises" made during the 1960 presidential campaign.

"The American people are being short-changed—in jobs, in security, in living standards, and in social advance," he said.

The governor drew his biggest round of applause when he discussed Cuba and said "perhaps we can get some reciprocity from Mr. Khrushchev."

Before the speech he said in a television interview:

Bride Is Killed In Stalled Auto

DESERT CENTER, Calif. (AP)—Married only a few hours, an 18-year-old bride was killed when a truck crashed into her bridegroom's stalled car.

Airman Donald A. Scott, 22, of Luke Air Force Base, Glendale, Ariz., told police Monday that a short circuit doused the lights of the car. He said he was trying to repair it in darkness and was barely able to jump out of the truck's path seconds before it hit. Dead is Alma Ray Scott, also of Glendale, Ariz. The driver of the truck, Benjamin C. Ford, 68, of Covina, Calif., was unhurt.

"It seems to me that it might be a very valuable thing if the President of the United States should say to the Soviet Union that we would like to demand that the Soviet Union give the same guarantee to prevent those Latin who are being brought into Cuba for training in sabotage and subversion in the whole area of penetration and disruption of the free governments of Latin America."

"We might demand from the Soviets this action on the part of the Cubans, which is very comparable to what the (anti-Castro) Cubans are trying to do to the Cuban government."

SERIOUS THREAT
Rockefeller said "this is the most serious threat to the Western Hemisphere."

Indirectly, he attacked the administration over the situation in Laos where the coalition government is threatened by Communist troops. He said the United States has had experience with coalition governments in China and Berlin and he asked: "Did they work? Who wouldn't have thought this would happen in Laos?"

SPECIAL GRAND JURY TO HEAR MURDER PROBE

GADSDEN, Ala. (AP)—A special grand jury will consider the murder charges against a rural storekeeper in the rifle slaying of a Baltimore integrationist.

"When the investigations have been properly developed, an announcement of the call of the grand jury will be made," Circuit Judge Virgil Pittman said Monday.

The next regular session of the grand jury is not until September.

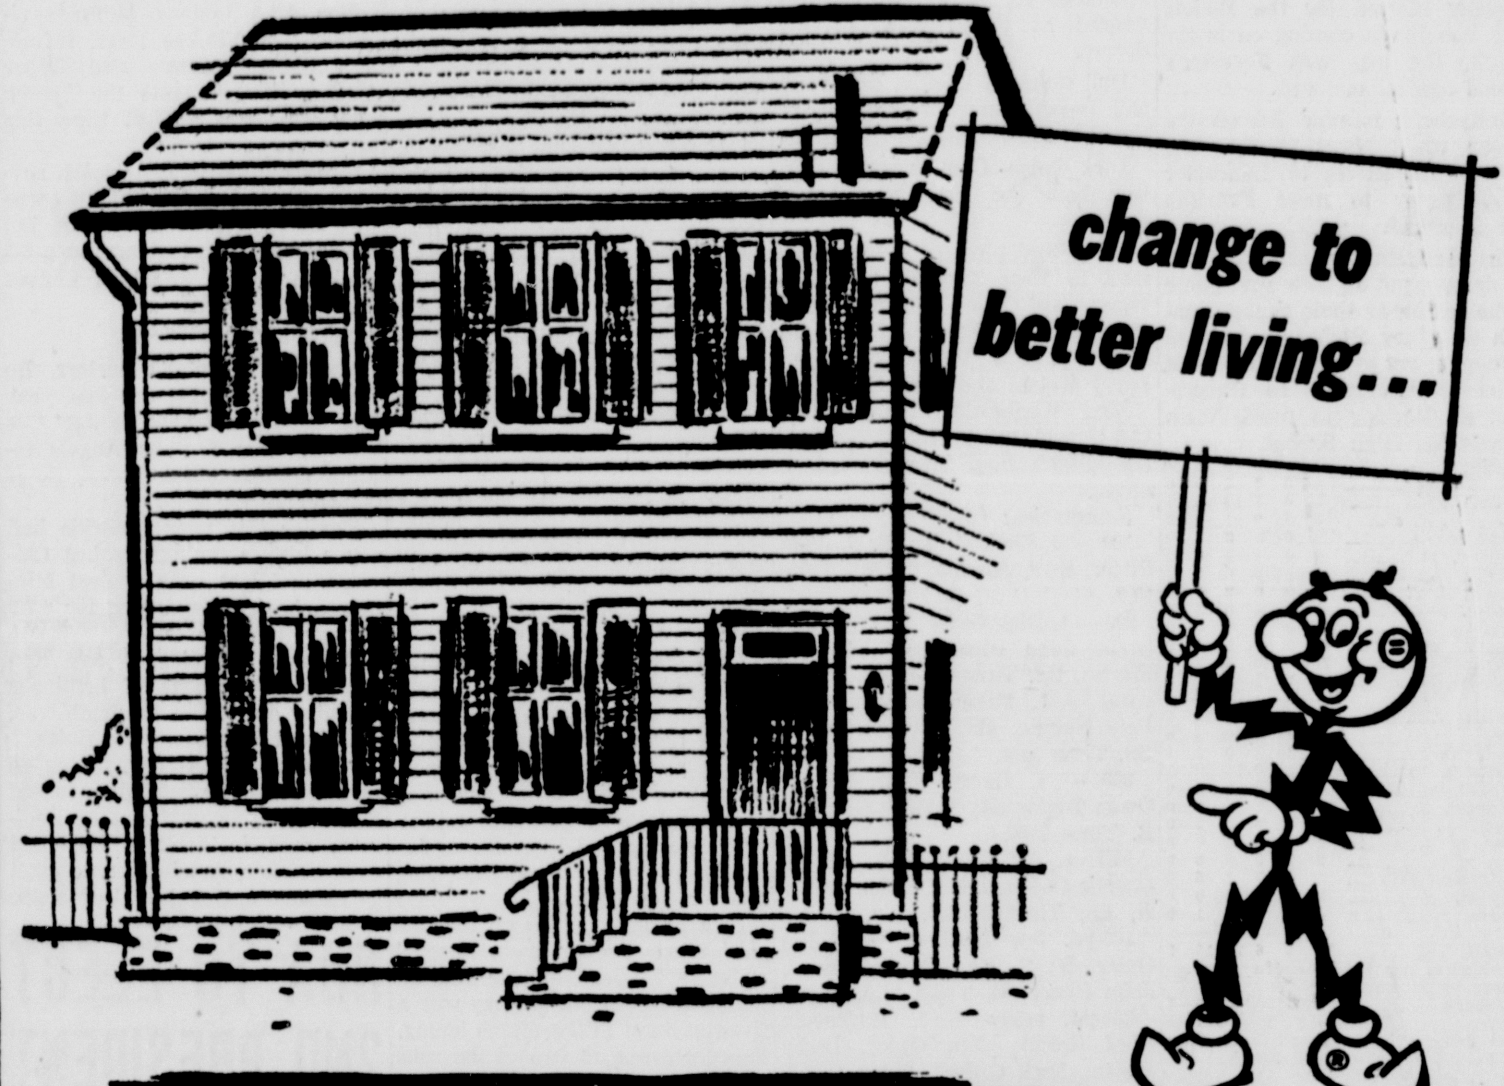

Floyd Simpson, 40, has been charged with first-degree murder in the slaying of William L. Moore, 35.

Moore's body was found sprawled on a road near this northeast Alabama community last Tuesday night. He was shot to death on the second day of a planned hike from Chattanooga, Tenn., to Jackson, Miss., where he wanted to air his views on segregation with Gov. Ross Barnett.

In Birmingham, N.Y., Mrs. Moore received police protection Monday night for her three children after she reported receiving a series of telephone calls in which the caller hung up as soon as she answered.

She was particularly concerned, she said, because she was away from her trailer home just outside the city, and the children, aged 15, 14, and 11, were alone.

FIREMEN CALLED
Fairfield firemen were summoned Monday afternoon at 4:40 o'clock to a shed fire at the Strausbaugh farm.

change to ELECTRIC HEAT —right in your present home

Want to make your present home more modern? Want to increase its resale value? Want to give your family more comfort and convenience? You can do all these things... when you change to Flameless Electric Heat!

You know, of course, that electric heat is the choice of many new-home owners. But it's also equally practical for many older homes. Here are some of the advantages you'll enjoy when you replace a worn-out heating system with modern electric heat.

- Extra living space. You don't need furnace, pipes, or fuel storage. Use your basement for recreation room, workshop or storage.
- Room-by-room temperature control. A thermostat in every room provides gentle comfort—does away with cold spots, chilly corners or hard-to-heat rooms.
- Save wasted heat in rooms not used or already adequately heated by sunshine radiation.
- Low installation cost. Replacing your old furnace with electric heat is one of the least expensive ways to modernize your house. Some dealers are offering a \$150 trade-in allowance on your old furnace.
- Safe, clean, quiet, trouble-free operation. No flame means no dirt—no fumes—no noise. And there's no maintenance or servicing.
- Guaranteed operating cost. A Recommended Reddy Kilowatt Electric Home Heating Dealer will estimate your annual heating cost. He'll give you a written two-year guarantee that your actual heating cost will be within 10% of his estimate, or he will reimburse you for the excess. And remember—a new lower rate makes the cost of electric home heating lower than ever before!

Siegfried And Maginot Lines Still Standing; Too Costly To Remove Them; No Future Need

By HANNS NEUERBOURG
FRANKFURT, Germany (AP)—British soldiers used to sing: "We're going to hang out our washing on the Siegfried Line."

You can still hang out your laundry on the massive German defense installations of World War II. Nine-tenths of them remain more or less intact. It would cost too much money to remove them.

MAGINOT THERE TOO

Across the German-French border in France, the Maginot Line is still there, too. It is even kept in shape.

French and Germans, who built these fortification systems a quarter of a century ago, now appear to be politically closer than at any time in the past 1,000 years.

Chancellor Konrad Adenauer and President Charles de Gaulle have signed an amity pact. German soldiers train in France; their French allies are stationed in Germany.

SEE LITTLE USE

French military authorities say they see no future need for the Maginot Line, but it could be put back into operating condition with little effort.

They are unwilling to let the installations fall into ruin. After all, the Maginot Line cost 500 million prewar dollars.

World War II left Maginot practically undamaged. German troops invaded France via neutral Belgium and rolled up the Maginot Line from behind, meeting no resistance.

GHOSTLY REMINDER

After the war, the location of the forts in remote forest land, far from supplies, labor and markets, made them undesirable as factories. A suggestion to use them for storage of NATO supplies also came to nothing.

The Maginot Line remained as a ghostly chunk of military bric-a-brac. It includes 25 big forts and hundreds of lesser positions.

The Siegfried Line, also largely untouched during the war, was earmarked for demolition by the Allies. The sentence was too difficult to carry out.

COSTLY JOB

Ten thousand bunkers of steel and concrete, miles of "dragon teeth" tank barriers and hundreds of other installations had been built by the Nazis from 1937 to 1940.

Just moving mines from the area took years — and scores of German and Allied lives. German authorities say that between 1945 and 1962 about 1,000 bunkers were flattened. The cost was almost \$5 million.

According to official estimates it would take \$40 million more to raze the rest.

GUSHED WRONG THING
BURKESVILLE, Ky. (AP) — One of America's first oil gushers was brought in March 11, 1829, near Burkessville. The oil was a great disappointment for Dr. John Croghan — he was drilling for salt.

Today In Washington

WASHINGTON (AP) — In the news from Washington:

HIGHER PAY: President Kennedy has asked Congress for another pay raise for government employees.

As outlined in a special message to Congress Monday, the President's proposal would raise the pay of 1.6 million classified and postal workers from 2 per cent to about 20 per cent—around \$500 million a year.

If approved, the rates would take effect Jan. 1 and would be in addition to a raise already voted by Congress to begin then.

Kennedy said the additional — or supplemental — increase is necessary to comply with the 1962 Federal Salary Reform Act which declares that federal pay rates shall be comparable to average rates in industry for the same levels of work.

MOON COSTS: The American man-to-the-moon program has drawn criticism from some scientists who contend the scientific returns from the venture will not justify the estimated \$20 billion cost.

Monday Dr. Hugh L. Dryden, deputy administrator of the National Aeronautics and Space Administration, fired back. He said critics have been "setting up a straw man and knocking it down."

"No one in NASA had ever said the program was decided upon solely on the basis of scientific return," Dryden told a meeting of the U.S. National Committee of the International Scientific Radio Union.

Knowledge gained through the moon program, he said, will help prepare the United States "for whatever we are called upon to do for both civil and military uses" of space.

FLYING SOUTH: President Kennedy will fly to Alabama and Tennessee May 18 for a day of ceremonies and speeches.

The White House announced Monday Kennedy will go to a late morning "coffee" at the governor's mansion in Nashville, then speak at exercises commemorating Vanderbilt University's 90th anniversary.

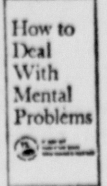

From the Vanderbilt stadium the President will press a button triggering a blast of dynamite starting construction of the Percy Priest Dam on the Cumberland River.

A helicopter will carry Kennedy then to Muscle Shoals, Ala., to speak at ceremonies marking the 30th birthday of the Tennessee Valley Authority. Kennedy will jet back to Washington from Huntsville late in the afternoon.

TELSTAR: A new Telstar communications satellite is scheduled to be lofted into space May 7.

Can you help the mentally ill?

Yes, sympathetic understanding can often be the best medicine. People who are mentally disturbed can be troublesome, irritable, hard to get along with — because they cannot control their own emotions. They need help, not criticism. HARRIMAN: Undersecretary of State W. Averell Harriman has returned from his trouble-shooting mission over Laos with a written report for President Kennedy.

Harriman, who visited Paris, London and Moscow on his week's trip, spoke for 3½ hours with Soviet Premier Khrushchev.

TFX FIGURES: The General Accounting Office, the experts who advise Congress on whether things add up, has reportedly given up trying to sort out the figures in the TFX warplane award.

Sources said Monday that GAO found a confusing host of figures which defied its efforts to get at the basis for the disputed award of the contract to the General Dynamics Corp. of Fort Worth, Tex.

Military boards had recommended a design by the Boeing Co. of Seattle and the Senate Investigations subcommittee has been holding hearings to learn why Secretary of Defense Robert S. McNamara overruled them.

The subcommittee asked the GAO to analyze the figures McNamara based his decision on.

BOND DRIVE: President Kennedy urged all Americans Tuesday to "enlist in the cause of freedom by buying savings bonds."

Kennedy's special statement marks the start Wednesday of a Freedom Savings Bond drive which will continue through the Fourth of July.

ORRTANNA—The Young Adult Class of the Mt. Carmel EUB Sunday School met recently in the church hall for its monthly get-together with eight members and one guest present. The president, Cloyd Spence, presided.

The opening prayer was offered by Mrs. Claire Rebert, teacher of the class. A hymn followed. A chapter on Christian service was completed with members participating. The president also presided for the business meeting which followed.

Mrs. Clyde Metz gave the secretary's report and the president gave the treasurer's report in the absence of Miss Linda Carbaugh. Both were approved.

The class voted to place the collection from the Easter sunrise service in the church treasury and to transfer \$75 from the class treasury to the building fund.

Rev. Alfred Gobwalt will be the leader for the May meeting and the teacher, Mrs. Rebert, will be hostess.

C. U. Spence is reported to be somewhat improved at his home here following his discharge from the Waynesboro Hospital where he was a patient for 10 days for observation.

The Rev. and Mrs. Theodore Grant and family, Queens, N. Y., were recent visitors with Mr. and Mrs. Claire Rebert, McKnightstown.

Mr. and Mrs. Robert Chapman spent the weekend as the guests of Mrs. Chapman's brother-in-law and sister, Mr. and Mrs. William Shull and family, Bedford.

'INTERLUDE' HAAS

NEW YORK (AP) — To do the screen version of a previous Broadway comedy, Jane Fonda has withdrawn from a current drama hit.

The young star, now at work filming "Sunday in New York," booked for that assignment before the Actors Studio Theater launched "Strange Interlude."

The switch is the first made under the latter project's concept of casting flexibility and of not holding performers to long-run engagements. Replacing her in the O'Neill play is Collin Wilcox.

Roaring Typhoon, Surged By 110-Mile Winds, Levels Most Of Island Of Guam

AGANA, Guam (AP)—A radio message from nearby Saipan Island Tuesday said Typhoon Olive, packing 110-mile an hour winds, destroyed 95 per cent of the homes and nearly half the island's public buildings.

The message said no deaths were reported. One person was injured as the devastating Pacific storm—the second to slam into the Mariana Islands in six months—flattened Saipan.

Property damages were estimated at \$2 million. All electrical power and telephone lines were bowled over and water service was knocked out, the message said.

DIDN'T TAKE IT TO HEART

FRANKFORT, Ky. (AP) — Seventh, eighth and ninth graders held a mock government session here recently. One of the bills passed was a statewide anti-littering law.

After the youths left, a janitor cleaning up the House and Senate chambers commented: "Worst mess I ever saw."

ALL FOR CYCLES

HERMISTON, Ore. (AP) — Motorcycle enthusiasts knew what to do with 21 acres of sagebrush land they acquired here. They started construction of a quarter-mile flat track, a half-mile scramblers track and set the rest aside for parking.

Typhoon Olive buffeted Guam Monday and Tuesday before moving north. Many of the home damages on Guam were the same structures flattened Nov. 11 when Typhoon Karen slashed across the island, virtually leveling it.

The island of Rota has a native population of about 1,000. Tinian has about 500 residents.

NEW ILLINOIS PROGRAM FOR BIRTH CONTROL IS NOT COPIED

By WILLIAM J. CONWAY
CHICAGO (AP)—The new Illinois program of birth control aid for relief recipients has attracted nationwide attention—but, thus far, has produced no imitation.

The Illinois program is operated by the Illinois Public Aid Commission. Any woman on relief who has a husband or child can apply for a physician's advice on the rhythm method or prescriptions for contraceptive preparations or devices, with the bills to be paid with public cash.

The system went into operation April 1. During the first two weeks at least 25 women applied.

UNDER ATTACK
The Illinois plan has been attacked, especially by Roman Catholics, on grounds that it would give contraceptives to mothers who are unmarried or separated from their husbands.

Moves are under way in the courts and the Illinois Legislature to limit state birth control help to married women living with their husbands.

The Illinois program is aimed at paring rising costs. About 425,000 persons are receiving some form of public assistance. The Illinois commission is seeking \$700 million for the next two years.

SUGGESTED IN CALIF.
A similar plan has been suggested for California by State Sen. Alvin C. Weingand, a Democrat from Santa Barbara. His resolution has not yet been scheduled for a committee hearing.

A bill for an Illinois-type program has been offered in Wisconsin by State Sen. Davis Donnelly, a Democrat from Eau Claire. He stated: "Eventually we've got to come to something like this in all states." Reaction of religion leaders was divided, but a Roman Catholic spokesman condemned the entire proposal.

The Colorado Senate approved a bill in March to permit state welfare workers to supply birth control information and contraceptives to persons on welfare rolls who ask for them. The measure has been shelved by a House committee.

LIMITED PROGRAMS NOW
An Associated Press survey also shows there is some participation by one level of government or another in scattered birth control programs. They are relatively small. Most of them are concerned with protecting health, not reducing future welfare rolls.

Richmond, Va., has a new program for distributing free contraceptive pills at the city's East

End Health Clinic to medically indigent mothers who request them and who receive a prescription from a clinic physician.

The Public Welfare Department in Westchester County, N.Y., pays for doctors' prescriptions for eligible public assistance recipients, including oral contraceptives if a physician deems them essential to a woman's health. The department stressed that it pays only for drugs, not mechanical devices.

LOCAL OPTION PLAN
The New York State Social Welfare Board is considering hearings on the whole problem.

The Florida State Board of Health reported birth control services are optional with county health departments and are offered in slightly more than half of the counties in connection with maternity clinics. They are for poor women acting on a physician's advice.

Georgia's Health Department conducts a family planning information program for needy families. It's on a local option basis. The welfare department in Otero County, Colo., provides birth control supplies to relief recipients. They are prescribed by doctors and paid for by the county. No estimate on the number was available.

SEAMSTRESS APPOINTED TO CABINET POST

EDMONTON, Alberta (AP)—Twenty-five years ago a 36-cent-an-hour seamstress decided she wanted to make the world "just a little better place."

The decision by Mrs. Ethel Sylvia Wilson led to a career of public service capped by her recent appointment as Alberta's first woman cabinet minister in 37 years.

She was named minister without portfolio in Premier E. C. Manning's social credit government.

"I was shocked when I learned of my appointment," she says. "I had not felt this honor would come my way."

After the first surprise, however, she "decided it was just another job to do" and expressed hope that she could do it well. The 60-year-old silver-haired woman has done many jobs well.

WAGES POOR
She was forced to take a job as a seamstress in 1937 when the death of her husband left her with three children to support.

"Working conditions and wages were very, very poor at the time. I decided to do my share in improving things and joined the union movement."

As secretary-treasurer of the Edmonton Labor Council, Mrs. Wilson urged members to take more interest in politics and legislation at all levels.

ELECTED TO LEGISLATURE
The members took her at her word and nominated her as a candidate for city council in 1951.

She was defeated but tried again the next year and won. She has served on council ever since.

She was elected to the legislature for Edmonton Northeast in 1959 and late in 1962 became the second woman cabinet minister in Alberta history, the first having been Mrs. Irene Paribby, minister without portfolio in the United Farmers of Alberta government.

GUGGENHEIM SHOWS WORKS OF KANDINSKY

By MILES A. SMITH
AP Arts Editor

NEW YORK (AP)—There are two current exhibitions which span the whole career of one of the originators and high priests of abstract expressionism—Vasily Kandinsky.

That abstract expressionism is considered in some quarters to have run its course should come as no surprise, for it has been a half century since it got under way. But unquestionably the movement has been of great importance, historically.

And in these two Kandinsky shows it is possible to see not only the individual artist in retrospect, but also a good deal of the movement itself.

Both exhibitions were organized by the Guggenheim Museum here. Even those art lovers who feel baffled by abstract impressionism may well be glad of the opportunity to see how well the Guggenheim has performed its function of presenting a comprehensive review of a major element in the art of our times.

INTERNATIONAL SHOW
The Kandinsky "international" was at the Guggenheim until April 7, and now will appear in Paris, The Hague and Basel.

The Kandinsky "national" opened in the Pasadena (Calif.) Art Museum and in the next year and a half will travel to the San Francisco Museum of Art, the Portland (Ore.) Art Museum, the McNay Institute in San Antonio, Tex., the Colorado Springs (Colo.) Fine Arts Center, the Baltimore Museum of Art, the Columbus (Ohio) Gallery of Fine Arts, Washington University in St. Louis, the Montreal Museum of Fine Arts and the Worcester (Mass.) Museum of Fine Arts.

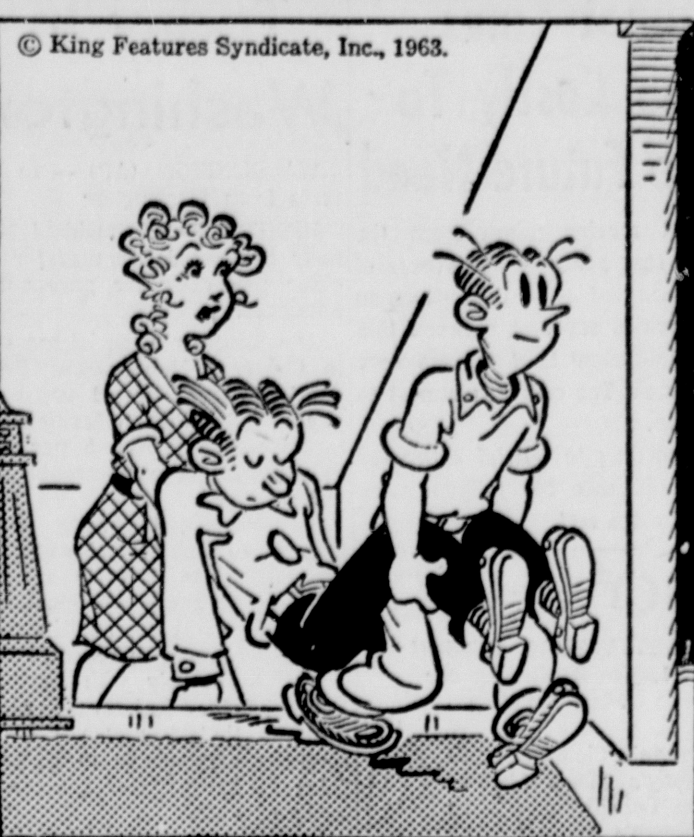

The artist was born in Moscow in 1866 and became a painter at the age of 30 (his early works seem pretty mediocre) but it was in his first German period shortly before World War I that he began to break through into the radically new abstract idiom.

Kandinsky is important not only as a pioneer painter, but also for his association with the Blue Rider group, which he helped found, and for his ironic connection with Russian abstractionism. For three years after the revolution of 1918 Kandinsky was in the thick of a flourishing modern movement in his native country.

MOVED TO GERMANY
Then the cultural tide turned, and ever since Russia has clung to "socialist realism." Kandinsky went to Germany again, taught at the famous Bauhaus, and then fled the Nazi regime to Paris, where he died in 1944.

There are more than 100 paintings and water colors in the "international" show. They were drawn mainly from three sources—the Guggenheim collection, Kandinsky's widow Nina and the Stadtische Galerie in Munich, Germany.

Even the abstract-adoring

Russians contributed to this show seven works which the artist painted between 1909 and 1913. They are artistically significant because they demonstrate what he was doing in the formative years when representational painting was being thrown out the window.

As the viewer strolls down the ramp at the Guggenheim, he gets the feeling that he is witnessing a recapitulation of a good many other shows.

EARLY WORKS DARING
Kandinsky's early representational paintings—fauvist in nature—are shown in a few examples. His first amorphous

abstracts were pretty daring in their day, but they still are echoed in many of the oil omelets that appear in New York commercial galleries.

You can see a comprehensive display of his adventure into geometric abstractions in the period from 1922 to 1933—some of which remind you of cubism. And then there follow the bright contrasts of color that imitators continue to ape. The only thing missing is the dribble-and-drip of Pollock or the smear technique of Kline, of later vintage.

It would be interesting to know what Kandinsky might think of the New York school of the 1950s and 1960s, in which the artist's self-expression has become mostly "self."

But the point is that Kandinsky rose out of the miasmic fog of the early 20th Century as a real innovator. Like him or not, you have to recognize him as a strong force. The Guggenheim has made a case for him.

GUILD PLANS
FAMILY WEEK

The Women's Guild of Redeemer's United Church of Christ completed plans to hold a congregational fellowship gathering at the April meeting held on Monday evening in the church social hall. The fellowship in observance of the annual Christian Family Week will be held next Wednesday, May 8, at 6:30 p.m. in the social hall. A supper will be served by the guild and a program will follow. The guest speaker for the occasion will be Mrs. Anna Mary Hinkle Gable, Lancaster, a former member of the congregation. An offering will be received during the evening. Entertainment for the younger children will be in charge of Mrs. Richard A. Little Jr. Mrs. Prul H. Stonesifer is chairman for general arrangements.

The guild will have an Ascension Day service on Friday, May 31, at 7:30 p.m. The members of the missionary groups of Christ United Church of Christ, near town; St. James' Church, along the Harney Rd., and St. Luke's Church, near White Hall, have been invited to attend. The program will be in charge of Miss Malva A. Dutera and Mrs. George I. Bemiller. The service will take the place of the May meeting.

The business period was conducted by Mrs. Glenn Flinchbaugh, president. The guild presented a prayer book to each of the 1963 confirmands: Mrs. Anna B. Leach, Mrs. Samuel H. Higginbotham, Mrs. Paul Stonesifer and Mrs. Flinchbaugh reported on the recent meeting of the regional guild which they attended at Zion United Church of Christ, Arendtsville.

Mrs. Marvin F. Breighner was chairman for the evening's program which was as follows: Skit, "A Stewardship Census," presented by Mrs. John E. Stambaugh, Mrs. Donald C. Feaser, Mrs. Dean W. Bankert, Mrs. Norman R. Lemmon, Mrs. Hamilton C. Walker, Misses Sigmund Bohm, Carolyn and Kathy Breighner; piano solos, Carolyn Breighner, who also received the offering; offertory prayer, Mrs. Breighner; closing prayer, Mrs. Walker.

Custodians of the Littlestown Free Lending Library report that 178 books were borrowed from the library during April. Four new subscriptions were received. The following donations were received: 45 books from W. E. Stiles, N. Queen St.; 38 from Mrs. Richard A. Maitland, W. Myrtle St., and 14, Mrs. Chester S. Byers, E. Myrtle St. The library is located in the Community Center and is open each Monday from 6 to 8 p.m.

Lightning Fires
Oil Storage Tanks

MARCUS HOOK, Pa. (AP) — Two huge storage tanks, set on fire by lightning, continued to burn early today at the Sun Oil Co. refinery here, although firemen managed to bring them under control.

An 80,000-barrel capacity crude oil tank burned steadily, while a 90,000-barrel capacity gasoline storage tank was extinguished several times but flickered to life again, ignited by its own heat. The fires started Tuesday.

A 40,000-barrel capacity gasoline storage tank ignited by the other two was quickly extinguished.

There was no explosion, and no serious injuries were reported.

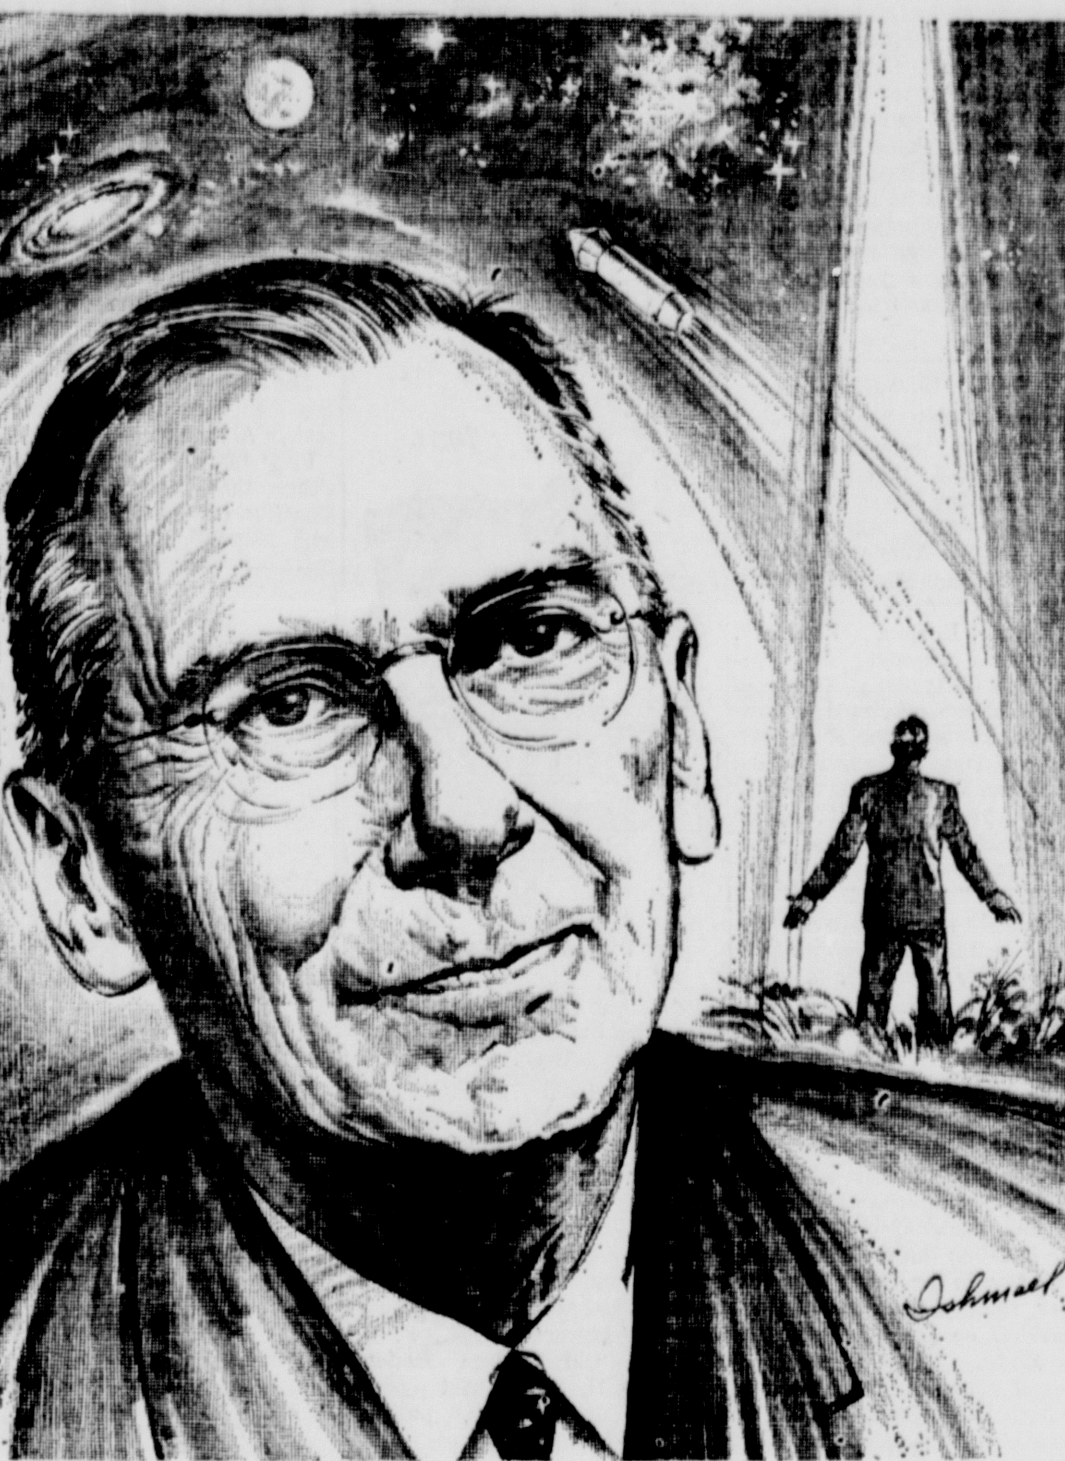

The three tanks are located near U.S. 13 ("Post Road"), a major highway between Wilmington, Del., and Philadelphia, and near the Brandywine Raceway.

Traffic in the area had to be detoured.

THE STOCK WAS SAVED

SAN FRANCISCO (AP) — Firemen quickly extinguished a blaze in a 16th Street doughnut shop and owner Robert LaSells treated them — to coffee and doughnuts.

Also, Dr. Dryden is a religious leader. As a lay Methodist preacher, he has given to many added meaning about the relationship between their spiritual lives and the scientific world. Dr. Dryden's faith has been strengthened, not weakened, by his knowledge of the universe. To find purpose in our lives and in the universe is a part of the eternal search for God.

Dr. Dryden recommends "...by all means seek Him in nature. The more we understand of nature the more we comprehend the intellectual state of its Creator. But do not be misled. These are but the handiworks of God.

For, as Jesus said, "God is a spirit: and they that worship him must worship him in spirit and in truth."

PENNEL SEEKS
HIGHER VAULT

MONROE, La. (AP)—Soaring John Pennel says he won't be satisfied until he vaults 16 feet, 9 inches, higher than any human has gone.

The husky, 22-year-old narrowly missed the 16-9 mark Tuesday night in a dual meet. He cleared 16-6 1/2 and reclaimed the pending official world's record.

Finland's Pentti Nikula has a 16-8 1/2 effort to his credit. But it came in indoor competition and doesn't count as an official world standard.

Before Pennel started raising the record last March, Nikula held the official mark with a 16-2 1/2 performance outdoors. Pennel has now toppled the record three times.

A University of Washington sophomore, Brian Sternberg, reigned for four days as pole

vault king. Sternberg cleared 16 feet Saturday in the Penn Relay. Later on Saturday, Pennel was 16-6 while practicing in the air. The Miami, Fla., native plan to start vaulting at 16 feet in the Saturday's Northeast Louisiana Invitational Track Meet. Pennel is a student at the state-supported college in Monroe.

"I get too tired starting lower," Pennel said after his record 16-6 1/2 leap Tuesday. He started at 15 feet, then went to 16. He cleared the bar easily both times.

The bald eagle now numbers less than 5,000.

LOUISVILLE, Ky. (AP) — When the Ohio River began freezing over last winter, it brought back memories. The river has frozen over only a few times since 1890s. In one extended freeze in 1893, people enjoyed the novel experience of hiking across the ice to Indiana and one enterprising traven-keeper set up a pub at midpoint. He enjoyed a thriving business.

HARRISBURG (AP)—Students at state-owned colleges would have to pay a charge of \$10 per semester to cover construction costs of student community buildings under a bill approved Tuesday by the House Education Committee.

There was some objection raised in the committee that no such direct charges are made on students at other institutions where the state pays for new buildings before the measure was approved.

Resident students at the 14 state colleges also are charged \$3 per week for dormitory rooms to pay for the cost of that construction.

Also approved, by the House judiciary committee, was a proposed amendment to the state constitution raising the debt limit on school districts from the present 7 per cent of the assessed value of the property in the district to 15 per cent.

Voters would have to approve any increase over 5 per cent, however.

A similar amendment was defeated by the voters in 1959.

If the present amendment is approved by this legislature, it would have to be reconsidered and approved by the 1965 General Assembly before being put before the voters again.

HARRISBURG (AP)—A bill to increase the \$325 annual fishing license fee to \$325 was introduced Tuesday in the House.

The Pennsylvania Fish Commission has advocated such an increase.

Reps. John E. Backenstoe, R-Lehigh; George C. Magee, R-Crawford; E. L. Murray, R-Cameron, and Dominick E. Cioffi, D-Lawrence, sponsored the proposal.

According to estimates the increase would raise an additional \$1 million annually.

HARRISBURG (AP)—The Labor and Industry Department reports Pennsylvania's unemployment rate last month was at its lowest April level since 1957.

The number of jobless workers totaled 329,000 in mid April, a reduction of 57,000 from mid-March. The rate of unemployment was 7.2 per cent of the work force, compared to 8.2 per cent in March and 7.6 per cent in April, 1962.

In 1957, there were 284,000 jobless workers in Pennsylvania, representing 6 per cent of the work force.

HARRISBURG (AP)—Pennsylvania bank resources in March totaled \$9,880,890,505—an increase of \$832 million over the amount recorded a year ago, according to the State Banking Department.

NEW CASTLE, Pa. (AP)—The 129th convention of the Pennsylvania Christian Churches opened today in New Castle. The four-day affair was expected to draw 900 delegates.

New Tuna Fish
Hunt Is Launched

PITTSBURGH (AP)—Allegheny County Health Department officials were looking today for persons who purchased at least nine cans of possibly contaminated tuna fish in suburban Castle Shannon.

The health department said nine cases of tuna that may be tainted were discovered at an A. & P. food store after a man who bought a can called the department.

The can was marked with the coding WY3Y2, the department said, indicating the cases came from the lot suspected of causing two deaths in Detroit last month.

A. & P. ordered all tuna with the coding under investigation taken off its shelves following the deaths. A local store spokesman could not say how the tuna got on the Castle Shannon store shelves.

Star-Kist Foods
Acquired By Heinz

PITTSBURGH (AP)—Star-Kist Foods, Inc., of Terminal Island, Calif., is now a subsidiary of H. J. Heinz Co. of Pittsburgh.

The firms said Tuesday Heinz' acquisition of the major canner of tuna fish and other seafood products is complete.

Total purchase price in the deal was not disclosed, but Heinz said it has issued 286,279 shares of cumulative preferred stock with a dividend rate of \$3.50 in exchange for all outstanding Star-Kist stock.

News From Upper End

FEW STATE PASTURES ARE POISON FREE

Wendell P. Dittmer, botanist in the Bureau of Plant Industry, State Department of Agriculture, says "few Pennsylvania pastures are entirely free of poisonous plants."

Fortunately, he adds, any poisonous plants are not fatal "except when taken in large amounts. Farm animal losses from poisonous plants are said to be enormous. Not only animals but people as well often have been victims of poisonous plants they thought were edible."

Dittmer says man has been aware of the poisonous properties of plants for centuries. Socrates, from Greek history, performed his own execution by drinking poison hemlock.

Poisonous plants are those that contain or produce under natural conditions active or toxic substances in sufficient amounts to cause harmful effects in animals or man.

ANIMALS SCENT ODOR

He explains that if good feed in ample quantity is available, farm animals usually avoid poisonous plants because of their objectionable odor and taste. In the absence of good feed animals may and do eat poisonous plants. Animals on dry feed during winter, when turned to pasture where poisonous plants are growing, may readily eat them since they often are in a more advanced stage of growth than the pasture grasses.

Plants that are poisonous in early spring include poison hemlock, water hemlock, Dutchman's breeches, mountain laurel, sheep laurel and young cocklebur. As the season progresses other plants will become poisonous.

Dittmer suggests that farmers with any type of animals should familiarize themselves with the poisonous plants in their area. If plant poisoning is suspected the area should be checked. The Bureau of Plant Industry, Department of Agriculture upon request will check pastures for poisonous plants.

Weddings

Baughner—Dell

Miss Donna Marie Dell, daughter of Mr. and Mrs. Charles Dell, Hanover R. 3, and Dale Eugene Baughner, son of Mr. and Mrs. William Baughner, Hanover R. 2, were married Saturday at 10:30 a.m. at St. Mary's United Church of Christ, Silver Run, Md. The Rev. Harvey M. Light, pastor of West Manheim United Church of Christ, performed the double ceremony before a candle-lit altar.

The attendants were the bridegroom's brother-in-law and sister, Mr. and Mrs. Bernard Hartlaub, Brodbeck R. 1. Mrs. Hartlaub wore a blue dress with white accessories and a corsage of pink carnations. The bride attended Hanover High School. Her husband attended Littlestown High School and is employed by Revonah Spinning Mills, Hanover. They will reside at the home of the bridegroom's parents.

WARNS BUYERS OF "BARGAIN" POTATO SALES

Reports of "bargain" potato sales by hucksters that backfired on consumers today prompted State Secretary of Agriculture Leland H. Bull to warn buyers against patronizing unidentified, fly-by-night vendors.

Secretary Bull asked that information on such sales be turned in to his department, but he admitted the "shifty, nimble methods" used by these operators makes their apprehension especially difficult.

An equally effective way for he said, is to "starve them out" in a boycott, and to patronize only tradesmen who are locally established and are known to be reliable.

HURTS INDUSTRY

Pennsylvania growers joined consumers in voicing the complaint, pointing out additionally that sale of low grade or quality potatoes harms the whole potato industry.

While most known instances of unfair practices were attributed to out-of-state origins, growers said purchasers are unaware of this and usually assume erroneously that the potatoes they bought and had to throw away were produced locally.

Secretary Bull added that attempts by such peddlers to "make a fast buck" are not limited to potato hucksters, but are all too common in many different commodities.

Weather

Five-day forecast for May 2, through May 6:

Eastern Pennsylvania, New Jersey, southeastern New York — Temperatures are expected to average near normal. Cool at the beginning of the period, mild during the middle and then cool again at the end. Precipitation may total up to two-tenths of an inch, occurring late Saturday or early Sunday.

Middle Atlantic States—Temperatures will average near normal. Below normal temperatures Thursday will be followed by rising temperatures over the weekend and then cooler weather again.

Western Pennsylvania — Temperatures will average 2 to 7 degrees above normal. Warmer Thursday and Friday and then no important change until turning cooler early next week. Precipitation will average around one-quarter inch mostly early next week but with a possibility of showers or thundershowers about Saturday.

storage space would have to be rented." The library has 10,000 registered borrowers.

PLEADS FOR SUPPORT

"We need the help of the entire community," he emphasized, "in order to raise the \$100,000 needed for this project." He said that the group which met Tuesday evening would seek pledges from library supporters throughout the county. The advance gifts campaign will end in one week and the group will report their results Monday evening at the second kick-off dinner which will be held for leaders of the primary gifts division, headed by Clark S. Smith. The major gifts division will meet a week later and will be headed by Atty. Donald G. Oyler.

The campaign to obtain building funds will end May 17, Dr. Baughman said.

OPENS BIDS FRIDAY

Atty. H. Thomas Pyle, president of the library board, told the bids for the construction will be opened Friday evening at the regular monthly meeting of the board of directors. He said construction would begin as soon as contracts are signed.

President Pyle said, "The needs of the library have been evident for many years, but until last year when federal funds were made available to Adams County for library facilities we were unable to do anything about meeting the problem." He explained that the federal funds must be used for books and may not be used for capital investments such as construction. He said that the addition of the second bookmobile "is now taking the library to every segment of the county."

"The building program will take care of the county's library needs for the next 25 years, according to expert projections," he said, and added that the addition will provide for 100,000 volumes. He said that despite the regular addition of books over the past 15-year history of the library, "the physical facilities have remained the same" and space is desperately needed for storage and patrons. He said the bookmobiles serve every school in the county as well as numerous boroughs and communities.

PRESIDENT TO SKIP ROME ON TRIP TO ITALY

By FRANK CORMIER

WASHINGTON (AP)—President Kennedy plans to skip Rome on his trip to Italy next month, but he and Mrs. Kennedy will tour the Eternal City together on a state visit next year.

Although the decision remains tentative, there appears to be little likelihood of Kennedy's changing his mind. For one thing, he does not want to detract from what promises to be a glittering visit to the Italian capital with the First Lady.

Instead of going to Rome, Kennedy now plans to fly directly from Washington to Milan. He is expected to hold working meetings with the Italian premier at a retreat not far from Milan, an industrial city 30 miles south of the Swiss border.

STORK CHANGES PLANS

Rome originally was to have been the high point of Kennedy's European tour, with the President and Mrs. Kennedy making a state visit.

Plans were changed after the Easter Monday announcement that the First Lady expects her third child late in August. Two days after Easter the White House

McSherrystown CLASS OF '48 HOLDS REUNION

MRS. LESTER BOWMAN McSHERRYSTOWN — The graduating class of 1948 of Delone Catholic High School held its 15th anniversary reunion Saturday and Sunday. Approximately 150 class members and their guests were present Saturday at the Knights of Columbus Home, Main St., for the celebration which began with a social hour at 6:45 p.m. followed by a dinner.

Alex Bell, former athletic director at Delone and present head football coach at Villanova University, was honored guest, and Mrs. Janet Blettner Zinn, class president, was toastmaster.

Following the dinner, dancing was enjoyed with music by the Cleftons. Prizes were awarded and a pantomime skit was presented, by class members: Boniface Gouker, Loyola Krepps, Peg Beck Gouker, Velair Hemler Hoffheins; Jean Hagerman Conrad, Janet Blettner Zinn, Mary L. Groff May and Richard Conrad.

On Sunday morning a special Mass was celebrated in the chapel of St. Joseph's Academy by a classmate, Rev. Paul Miller, where the class received communion in a body. Following Mass, breakfast was served at the McSherrystown Fire Hall. Guests at the breakfast were Sister Illuminata and Sister Irma DeJores, Sisters of St. Joseph; Sister Rose Marie, Sister of Christian Charity; Sister Eleanor, Sister of Mercy, and Coach Bell, former faculty advisor of the class.

Mr. and Mrs. Richard Conrad served as chairman and co-chairman of the reunion. Mrs. Zinn and Mary Angel Hagerman, Phyllis Rineman Kale and Joseph Lawrence assisted.

Invites Sinners To Church; Not Sainly

CHICOPEE, Mass. (AP) — The Rev. C. W. Kirkpatrick, pastor of the Federated Church, says the sermon at next Sunday's 10:45 a.m. service is "for sinners only and all saintly persons are requested to stay home."

The pastor notified his congregation today that he is making the request "so we may concentrate on sinners, to whom we offer a cordial invitation regardless of how large or small their involvement is."

CHILD IS BURIED

Private funeral services were held Tuesday afternoon at 2 o'clock at the Peters Funeral Home here for Kenneth P. Vendetti, aged nine, son of Mrs. Maye (Davis) Vendetti, Gettysburg R. 3, and Michael Vendetti. The child died Saturday at the Warner Hospital. The Rev. C. Reynolds Simmons Jr., pastor of the Gettysburg Church of the Brethren, officiated. Interment was made in the Evergreen Cemetery. Four members of the local Moose lodge served as pallbearers. They were Maurice Shindedecker, Alfred Ness, William Dillman and Ralph Fisel.

said Kennedy would make a working visit to Italy in June and take Mrs. Kennedy there for a state visit early in 1964.

Kennedy's decision to bypass Rome became known Tuesday. Further details of his tentative itinerary were learned today.

GOING BY JET

Kennedy will board his jet transport at nearby Andrews Air Force Base, Md., probably June 20 and arrive in Milan the following day. He will stay in the Milan area for two or three days, then fly to Duesseldorf on the eastern bank of the Rhine.

Present plans call for a motorcade from Duesseldorf to Bonn, a distance of less than 50 miles, with a possible swing to Cologne en route. Kennedy is expected to spend two days in Bonn, then go to Frankfurt and, a day later, proceed to West Berlin.

The President would be in Communist-surrounded Berlin only a few hours, then fly direct to Dublin, capital of Ireland, which was the homeland of Kennedy's ancestors.

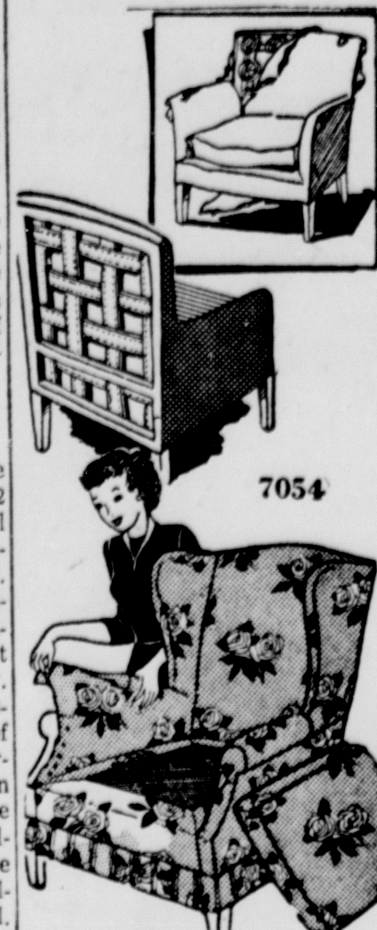

Two or three days will be allotted for the Irish visit, which will feature a trip to the Kennedy family cottage at New Ross, Wexford County.

Kennedy plans to return to Washington about June 29.

GROUP BEGINS THEIR MARCH TO JACKSON

By JACK STILLMAN

CHATTANOOGA, Tenn. (AP) — An integrated group begins a walk through the Deep South today—planning to trace the steps of Baltimore postman William L. Moore, who was shot to death near Attalla, Ala., April 24.

The six white men and five Negro men face almost certain arrest in Alabama.

Each marcher is a member of either the Congress of Racial Equality or the Student Nonviolent Coordinating Committee.

Marchers are to be accompanied by a truck driven by a member of the National Association for the Advancement of Colored People.

TO SEE GOVERNOR

Moore was wearing a placard which proclaimed that Negroes and white persons should be allowed to eat together anywhere.

The "freedom marchers" said they are intent upon walking to Jackson, Miss., to give their integration views to Gov. Ross Barnett.

That was Moore's intention when he was killed. An Alabama grocer, Floyd L. Simpson, has been charged with the slaying.

The walkers plan to set out from the bus station here from which Moore began his ill-fated trek. They call their walk a memorial to Moore, a white man.

DERBY TRIAL IS CAPTURED BY BONJOUR

By KESLO STURGEON
LOUISVILLE, Ky. (AP) —

Thanks to a rookie trainer and a weather-worn Arizona cowboy who shocks the sophisticated racing world with his training methods, Kentucky Derby representation in history Saturday.

John Jacobs, 28, will send Patrice Jacobs' California-bred Bonjour, winner of Tuesday's Derby Trial, in the 1 1/4 mile Derby. The Arizona cowboy, Mesh Tenney, will send out Rex Ellsworth's even-money favorite Candy Spots.

Everybody knows what unbeaten Candy Spots can do. Bonjour just adds a little icing to the cake.

GREATLY IMPROVED
"Bonjour is greatly improved since Santa Anita," said Jacobs, who has helped his father, Hirsch Jacobs, train since 1956.

Jockey Willie Shoemaker came from eight lengths off the pace to take the lead one-eighth mile from the finish in the one-mile \$16,200 Trial. He won by three-quarters of a length over Walnut Hill Farm's Gray Pet, Ambush Stable's On My Honor, another California colt, finished third in a field of eight Derby eligibles.

The other California colt that will start in the Derby, B. J. Riddler's Royal Tower, sat out the Trial.

SIMPLE METHODS
Bonjour ran the distance in 1 minute, 36 2/5 seconds over a track classified as good and returned \$4.40 as the favorite.

Tenney said Tuesday night he doesn't care how Candy Spots runs in the Derby, just so he has a lot left for the stretch run.

Tenney, who trained the 1955 Derby winner Swaps, believes the best way to train a horse is the simplest way. He never knows for sure when Candy Spots will work out.

NEAR FINAL WORKOUTS
"If he feels like training a little bit," Tenney said, "we train a little bit. If he doesn't, we just wait for another day when he does."

Most trainers carefully sponge their colts down, brushing them very carefully. Tenney just turns a water hose on them and lets it go at that.

Candy Spots and Cain Hoy Stable's Never Bend, second choice at 2-1 to win the Derby, will hold their final workouts Thursday. Greentree Stable's No Robbery, the third choice, worked his final time Monday.

WORKING, England (AP) — George Percival Simon, 70, managing director of the Daily Telegraph and the Sunday Telegram, died Monday.

LAW BACK ON PIRATE MOUND

PITTSBURGH (AP) — Vernon Law is back with Pittsburgh, cautiously optimistic about his chances of regaining the touch that sent him to pitching stardom three years ago.

The Pirates recalled the 33-year-old right-hander from Kinston, N.C., of the Class A Carolina League Tuesday. He was sent there several weeks ago so he could pitch regularly and in warm weather.

"My arm is the best it's felt in two years," Law said today, referring to the soreness that has plagued him since he won the Cy Young Award and helped spark the Pirates to the pennant and

WOMAN FLIES OCEAN ALONE IN 17 HOURS

By ROBERT I. MYERS
HONOLULU (AP) — Betty Miller, 37, who made history Tuesday by flying her small plane from California to Hawaii alone, said she had only one hour's fuel left when she landed.

"I should have had three hours left, but I wasn't worried," said the Santa Monica, Calif., housewife.

Looking fresh, Mrs. Miller opened the cockpit door of her twin-engine Piper Apache and yelled to welcome: "How's the ground feel?"

Her 2,400-mile flight from Oakland Airport to Honolulu International Airport took 17 hours 3 minutes.

7,100-MILE TRIP
The Hawaii trip was the first leg of her planned solo flight to Brisbane, Australia, a 7,100-mile ocean-spanning trip that will include stops at Canton Island and Fiji. She is flying a reverse course taken by Amelia Earhart in 1937 when she and her navigator Fred Noonan disappeared without trace while attempting to fly the Pacific.

"I would just love to have a drink," the aviatrix said. She complained that someone in Oakland goofed before her departure and filled her thermos bottle with boiling water.

Mrs. Miller said she will rest in Honolulu for "a day or two" before continuing to Canton Island. She had been expected to continue the flight after refueling in Honolulu.

No one could say when Law will receive his first pitching assignment. He won two games at Kinston, going the distance in each on an eight-hitter and a three-hitter.

KENNEDY PLAN ON POLITICAL DRIVES FADES

By JOHN CHADWICK
WASHINGTON (AP) — President Kennedy's proposal that the federal government help finance political campaigns appears to have died a-borning.

Kennedy urged Congress Tuesday to study a plan under which the federal government would match all individual campaign contributions of \$10 or less in federal elections.

A sampling of senators and representatives showed little support for the idea. There were some sharply hostile reactions.

The plan was advanced last year in a report by a presidential commission on campaign costs.

"I urge the Congress to study the approach, which would encourage party efforts in broadening the financial base of presidential campaigns," Kennedy said in a letter to the Senate and the House.

PRESENTS NO DRAFT
He submitted no draft legislation with his letter. He did, however, send Congress a bill to provide special tax benefits for political contributions and another to require fuller reporting of campaign financing. Identical bills were submitted last year but did not pass.

Sen. Bourke B. Hickenlooper of Iowa, chairman of the Senate Republican policy committee, called it an "utterly superficial approach." He also said it would be "very ineffective."

Sen. Albert Gore, D-Tenn., former chairman of the Elections subcommittee, said that "what is needed is limitations on campaign contributions and strict regulation of campaign expenditures."

MANAGUA, Nicaragua (AP) — President Luis Somoza says he has confidential information from the United States that Nicaragua is getting top consideration for construction of an ocean-to-ocean canal with nuclear explosives.

Somoza said Tuesday night that the route being considered would make use of the Prinzapolca River near the center of the country.

The United States has studied the possibility of digging a new canal with nuclear explosives to supplement the Panama Canal, which is not wide enough or deep enough to handle many modern ships.

TOKYO (AP) — President Liu Shao-chi of Communist China arrived in Phnom Penh, Cambodia, today and was cheered by "several hundred thousand people," Radio Peking announced.

Top College Teams On CBS Schedule

NEW YORK (AP) — All of last year's top ten collegiate football teams will be shown on the 1963 National Collegiate Athletic Association's television schedule.

The games will be carried by the Columbia Broadcasting System.

Southern California, 1962 national champion, will face Oklahoma on Sept. 28, with No. 2 Wisconsin pitted against Northwestern on Nov. 9.

Opening the schedule on Sept. 14 will be Florida at Georgia Tech, with Alabama at Miami closing it on Dec. 7. All games will be on Saturday except for the Thanksgiving Day Texas at Texas A&M feature.

Nine games will be televised nationally. Five other dates have been set aside for regional telecasts.

has served as tutor at the Graduate School of Ecumenical Studies of the World Council of Churches, Chateau de Bossey, Celigny, Switzerland, and as chairman of the Board of Publication of the American Lutheran Church. He has been a member of the Commission on Church and State of the Lutheran Church in America, the Committee on Social Trends of the National Lutheran Council, and the Commission on Theology and the Commission on Interconfessional Research of the Lutheran World Federation.

ELECT REV. HALE

Here Dr. Quanebeck will teach the courses formerly taught by Dr. Carl C. Rasmussen, who will retire from the seminary faculty at the close of this academic year.

The board provided for the teaching of the courses formerly taught by Dr. Bertha Paulsen, who will retire at the close of this academic year, by electing the Rev. Russell Hale of Collingswood, N.J., to be assistant professor in the department of Christian sociology and psychology.

Mr. Hale has received his education at Muhlenberg College, the seminary here, the Johns Hopkins University, and Union Theological Seminary and Columbia University in New York City. He has served parishes in Baltimore and in Long Branch, Ramsay and Collingswood.

COMING HERE IN JUNE

While in New Jersey, he served on the executive board of the New Jersey Synod of the United Lutheran Church and on the general board of the New Jersey Council of Churches. He has been a member of the committee on college and university work of the United Lutheran Church and is presently serving on the Commission on Church Papers of the Lutheran Church in America.

In the field of urban church study and planning he has served as consultant in Jersey City, and has been director of studies in Bridgeport, Conn.; Syracuse and Nassau-Suffolk counties, New York. He has published writings in the field of parish education.

Mr. Hale is married and has two sons. He and his family will move to Gettysburg late in June.

FIRST BUSINESS MANAGER

It was also announced to the board that Clarence A. Benson of Chicago, has been appointed the first business manager of the seminary. Mr. Benson, who is a graduate of St. Olaf College, Northfield, Minn., is vice president and co-owner of the Benson Music Company in Chicago. He is a commissioned officer in the United States Marines, active in the Lutheran Church and in the YMCA. He and his family will move to Gettysburg in early July.

DR. DONALDSON TALKS

Reconvening after lunch, Mrs. Tunison introduced Thomas Piper, a graduate of Penn State and Cornell University, the new Adams County farm agent. After speaking briefly he introduced Dr. Robert Donaldson, a graduate of Penn State and now the extension specialist in agricultural economics, who from 1927-1930 was a peach inspector in Adams County. He spoke on "The Common Market and Its Implications for Adams County Agriculture."

He explained that the Common Market was established by the Treaty of Rome in 1957 and comprises six European countries, France, West Germany, Italy, Luxembourg, Belgium and the Netherlands. Brussels, Belgium, is the capital for the market.

Dr. Ruth Brenner, Manheim, Pa., displayed hand-hooked rugs she and her patients, who are restricted in their activities, have made. She explained the method of hooking and displayed types of looms and materials used.

Many articles of handwork were also displayed by members of the Fairfield group.

Mrs. Herbert Zepp, a member of the Harrisburg Road group, told of the scholarship offered annually.

The county group will go on a bus trip to Bucks County May 8.

reversed that procedure and bow almost completely to the will of one or more not in any manner responsible to the people?

WHY IGNORE OTHERS?

"If Treasury opposes this because, as they state, it is in conflict with the basic purpose, why has Treasury not opposed placing the word 'liberty' on the 25-cent piece with the crest of the United States, over which is found 'E Pluribus Unum'?"

Why has it not opposed our emblem of authority, the Mace, on the 10-cent piece, the goddess of liberty on the silver dollar, the picture of the most visited memorial in the world — the Lincoln Memorial — and indeed the picture of Lincoln on the penny and Washington on the 25-cent piece?

"We picture many American patriots on our currency: Washington, Jefferson, Jackson, Hamilton, Lincoln and others. Some of our currency makes this observation: 'In God We Trust.' Mr. Chairman, all are placed there for a distinct purpose which is to tell the story of our heritage and as a constant reminder of the great and noble ideals that made and kept us great."

PURPOSE OF BILL

"The great summation, the challenge, the prayer and hope of Americans everywhere was made in a simple statement at Gettysburg on November 19, 1863. That 267-word statement has no peer anywhere among state papers. Its message and its impact can be extended by fully cooperating with the people of Pennsylvania and the entire United States by assisting in commemorating the event November 19, 1863. This is the purpose of the bill."

"It must be admitted some misuse of special coins has occurred in the past. The causes are known and can be avoided and in this instance I can assure you will be avoided."

"The Gettysburg Centennial Commission was authorized by the Pennsylvania Legislature and its members were appointed by the governor. It will be responsible for the distribution of the coins."

NO PRIVATE GAIN

"Mention is made of exploiting for private gain. Every new coin becomes a collector's item. This coin would definitely become a collector's item, but all proceeds would be used by the commission in a worthwhile cause."

"This move has the support of the National Civil War Centennial Commission, organizations in Gettysburg, the District of Columbia Commission, many states and civic round tables everywhere."

"Not all arguments have been presented here but, because of the potential influence for good, I believe it urgent that people everywhere be permitted to help make this anniversary more meaningful. Issuing this commemorative coin would help greatly."

"Now, Mr. Chairman, on the point of extra cost, the bill provides that this shall be borne by the people of Pennsylvania."

"I respectfully request you to hold hearings on this measure in order that the wishes of the public may be expressed."

Fairfield Women In Auto Accident

Two women operators were involved in a crash Monday night on Route 16 four miles east of Waynesboro.

Mrs. Garnet George, 49, Fairfield R. 1, was attempting to make a left turn just as another car was overtaking and passing. The second driver, Mrs. Viola Margaret Caldwell, 42, Baltimore, said state police.

Mrs. George was driving west at the time of the 8:25 p.m. incident. Damage to her car amounted to \$100 and the right rear fender of the Caldwell sedan was also damaged.

Funeral services for Mrs. Mamie Wallace, 81, formerly of Gettysburg, who died in E. Cleveland, O., on Sunday, were held this morning at 10:30 o'clock at the Peters Funeral Home, Carlisle St. The Rev. Donald Harper, pastor of the Memorial EUB Church here, officiated. Interment was made in the Reformed Church Cemetery at Fannettsburg. The pallbearers were James Strickhouser, Gomer Harold and John Sharpe, Richard Boyer and George Beck.

DR. KRIEDLER HEADS CHURCH

WILLIAMSPORT, Pa. (AP) — Dr. Clair C. Kriedler of York was reelected today to a second four-year term as superintendent of the Central Pennsylvania Evangelical United Brethren Conference.

The conference is in a four-day meeting at Trinity EUB Church here.

Dr. Kriedler also was re-assigned to the conference's Southern District at York. Dr. Reed O. Steely, senior superintendent, was continued as presiding officer of the Northern District, with headquarters in Williamsport.

The assignment of superintendents was announced at today's sessions by presiding Bishop Hermann W. Kaebnick of Harrisburg.

Other conference leaders named: Dr. Harry A. Houseal, Carlisle, conference secretary and editor of the Journal of Proceedings; the Rev. R. Kenneth Heim, Williamsport; the Rev. Roy H. Stetler Jr., Cheverly, Md., and the Rev. Robert L. Close, York, all assistant secretaries.

SEMINARY WK.

(Continued From Page 1)

Jacob Heikinen of the seminary faculty spoke on the Holman Lectureship on the topic: "The Kerygmatic Character of the Augsburg Confession."

This morning at 11 o'clock Dr. Theodore A. Gill, president of the San Francisco Theological Seminary and Zimmerman lecturer for this week, gave the first of a series of four lectures. He will speak this evening at 7 o'clock, Thursday evening at 7 and Friday morning at 11 o'clock.

Highlight of this afternoon's program is a 3 o'clock lecture by Dr. Kirtley F. Mather, emeritus professor of geology at Harvard University. He is scheduled for two lectures on aspects of evolution and of atomic energy. He is widely known as a scientist and an interpreter of science. His second lecture will be Thursday morning at 11 o'clock.

LAYMAN ON PROGRAM

The Seminary Choir will present a concert at 10 o'clock Thursday morning and Chancel Players of the seminary will present a play entitled "Corruption in the Palace of Justice" this evening and Wednesday evening at 8 o'clock in the social room at the seminary. Dr. Ralph Lindemann of the English department at Gettysburg College is directing the production.

Of special interest on Friday, the final day of the week's events, will be two lectures by Edward L. Cushman, vice president of the American Motors Corporation in charge of industrial relations. He will speak at 10 a.m. and at 12 noon on the ethics and public responsibilities of great corporations in America, especially as affected by labor-management disputes.

ment was made in the Reformed Church Cemetery at Fannettsburg. The pallbearers were James Strickhouser, Gomer Harold and John Sharpe, Richard Boyer and George Beck.

BILL TO PLACE LIABILITY ON PARENTS OK'D

HARRISBURG (AP) — Senate Republicans Tuesday approved with the help of three Democratic votes a bill to make parents liable up to \$250 for damages caused by their children under 18.

The measure passed, 27-16, only one vote more than the 26 required by the constitution, and was sent to the House for further consideration.

Sen. Albert R. Pechan, R-Armstrong, the sponsor, said the bill was designed to make parents more responsible to the acts of their children.

But Sen. William J. Lane, D-Washington, declared the measure "shows a lack of confidence in the younger generation."

Sen. Gust Yatron, D-Berks, one of the Democratic defectors, argued that "if you hit parents in the pocketbook they'll keep better watch on their children."

During lengthy debate on the measure, Sen. William V. Mullin, D-Philadelphia, said that even if the measure is approved and signed into law by the governor

John C. Meneses, Secretary

The proposed budget of the Gettysburg Area School District may be examined in the Office of the Superintendent of Schools at the High School Building between the hours of 8:30 a.m. and 4:30 p.m., Monday through Friday. Adoption of the budget is scheduled for Monday evening, May 13, 1963, at a special meeting of the Gettysburg Area School Board to be held in the Superintendent's Office, High School Building at 7:30 p.m.

Part (b) of Section 680 of the 1949 School Code of Pennsylvania as amended, reads as follows:

"Every resident or inhabitant in any school district, upon attaining twenty-one years of age, and every person residing in the district, who is becoming a resident or inhabitant in any school district shall, within twelve months after the happening thereof, notify the proper assessors of his becoming a resident or inhabitant in any school district. Any person failing, without just cause, to notify the assessors of the school district within which he resides, shall, in addition to the tax levied by such school district, be liable for a civil penalty in a penal sum equal to such tax."

The board of school directors shall at the time as they give public notice of a proposed budget, include a notice of the requirement of this subsection, together with the name and address of the assessor to be notified."

The names and addresses of the assessors in the Borough of Gettysburg, for the year 1963, are as follows: First and Second Ward, Eugene Schriver, 17 York Street; Third Ward, Mrs. Anna L. Miller, 20 West Middle Street; Freehold Township, Mr. Robert E. Wenschhof, Gettysburg R. 2, Pennsylvania; Highland Township, Mr. J. Clifford Bieseker, Orrama R. 1, Pennsylvania.

APPOINTMENTS DELAYED

Senate Democrats again deferred a decision on the growing list of gubernatorial appointments awaiting confirmation. No reason was given.

The Democrats last week refused to give Republicans the 7 votes needed to approve nominations. The constitution requires 34 votes for confirmation and Republicans have only 27 votes in their own ranks.

THEATER WILL DESEGREGATE

WILMINGTON, Del. (AP) — A movie theater which became the center of a segregation controversy when seven Negro students were arrested while trying to buy tickets, has announced it will desegregate today.

And a spokesman for the theater, the Rialto, said it will not press charges against the seven students from Lincoln University at Oxford, Pa.

Charges of disorderly conduct were lodged against one student, Archie Perry of Coatesville, Pa., when he and six Africans tried to buy tickets last Friday.

The Africans, Dimeereu H. Marium of Ethiopia; Lawrence W. Waiyaki and James Karioki of Kenya; Zikroo Shittu and George Osakwe of Nigeria, and Omari Malima of Tanganyika, were charged with trespassing.

Harry Brubaker, manager of the Rialto, said the decision to desegregate was made after "numerous conferences" with the Delaware Commission on Human Relations and the group known as the "Concerned Citizens." That group had picketed the theater after a Lincoln University professor's wife was refused admission last November.

Engineers' Reports On Ferry Rejected

WILMINGTON, Del. (AP)—The Delaware River and Bay Authority has refused to accept consulting engineers reports on the proposed ferry between Lewes, Del., and Cape May, N.J., which would be partially financed by Delaware Memorial Bridge tolls.

After a two-hour closed door meeting Tuesday, J.H. Tyler McConnell of near Wilmington, the commission chairman, said the reports were not "sufficiently finalized." He said further details were needed before they would be accepted.

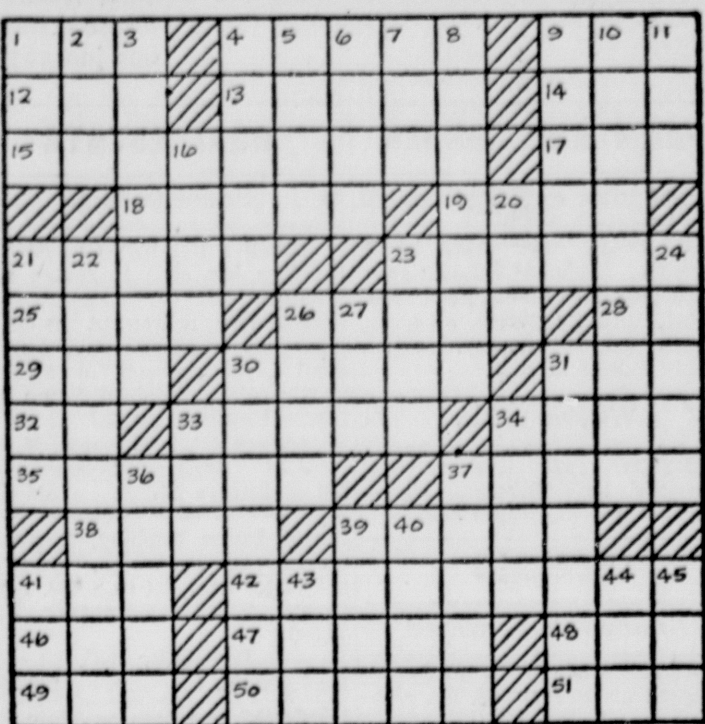

The authority put off until May 21 a decision on whether or not to begin the ferry service across the broad bay.

HARRISBURG (AP) — A Williamsport merchant has been elected to the board of directors of the U.S. Chamber of Commerce, it was announced here Tuesday night.

George L. Stearns, president of L. L. Stearns and Son Department Store, will join two other Pennsylvanians on the 62-member board. They are Dr. Edgar L. Dessen, Hazleton physician, and James S. Mack of McKeesport, board chairman of the G. C. Murphy Stores.

McSherrytown

McSHERRYSTOWN — Intermediate Troop 734, of the Annunciation of the Blessed Virgin Mary Church will hold a skating party Friday from 7 to 10 p.m., at Forest Park skating rink. Everyone is invited. Tickets can be purchased from members of the troop. Transportation for all that need a way will be provided to and from the skating party. They will leave the Annunciation School at 6:30 p.m.

Chief of Police Mannard Masemer has reported that four hubcaps have been stolen from the 1958 Dodge owned by Francis Rineman, 525½ North St. Mr. Rineman discovered the theft Saturday morning and stated that they were stolen either at the K of C Home, Main St., or at his home, Friday evening.

Cyril Klunk, 219 North St., McSherrytown, also reported to Chief of Police Masemer that several items had been taken from the glove compartment of his car between April 14 and 27. These items included a polaroid camera, transistor pocket radio and a pair of binoculars.

Evacuate Hotel As Store Burns

PHILADELPHIA (AP)—A discount store in center city Philadelphia was wrecked by a fire which threatened nearby buildings and caused the evacuation of a hotel today.

The store, Silo Discount House at 924 Chestnut St., was completely destroyed, according to Fire Chief George Hink, who personally directed the battle against the crackling flames.

The six-alarm blaze was declared under control at 1:06 a.m. Firemen ordered about 70 persons in the 10-story Milner Hotel to leave because of the danger.
